Bunnacula *Atheneum Books for Young Readers*

THIS book is written by Harold. His full time occupation is dog. He lives with Mr. and Mrs. X (here called Monroe) and their sons Toby and Pete. Also sharing the home are a cat named Chester and a rabbit named Bunnacula. It is because of Bunnacula that

Harold turned to writing. Someone had to tell the full story of what happened in the Monroe household after the rabbit arrived. It all began when the Monroes went to see the movie *Dracula* At the theater Toby found something on his seat— a baby rabbit that he took home and named Bunnacula. It proved to be an apt name, at least as far as Chester was concerned. A well-read and observant cat, he soon decided that there was something odd about the newcomer. For one thing he seemed to have fangs. And the odd markings on his back looked a little like a cape. Furthermore, Bunnacula slept from sunup to sundown. He was awake only at night. When the family

started funding white vegetables, drained dry, with two fang marks in them, Chester was sure Bunnacula was a vampire. But what to do about it. None of the family seemed to grasp the trouble, and Chester's hilarious hints were totally misunderstood. Was Bunnacula really a vampire? Only Bunnacula knows for sure. But the story of Chester's suspicions and their consequences makes uproarious reading.

In this global bestselling classic, Harold the dog and Chester the cat must find out the truth about the newest pet in the Monroe household, a suspicious-looking bunny with unusual habits - and fangs! - before it's too late. In a second story, the Monroes have gone on vacation, leaving Harold and Chester at Chateau Bow-Wow. On the animals' first night there, the silence is pierced by mysterious cries in the dark, and Chester becomes convinced there are werewolves afoot. Soon animals start disappearing! Is it time for Harold and Chester to check out? A reader favourite for over 40 years! Perfect for fans of Roald Dahl,

Nighty-Nightmare

Simon and Schuster

An overnight camping trip! Not Harold's idea of fun. Too many mosquitoes, ticks and cockleburrs. But when the Monroe family set out, their faithful dog Harold was with them, mostly because he remembered that camping could also bring s'mores and toasted marshmallows. Howie, the other family dog, and Chester the

cat were also included in the trip. Only Chester thought the idea was completely insane. The woods, he informed Harold, were not only full of cockleburs and ticks, but of spirits, evil spirits who prey on the innocent. And on this, the worst night of the year -- St. George's Eve, when all spirits are set loose -- who knew what could happen. What Harold knew was that Chester was a well read, over-stimulated cat, full of weird ideas. He did not take Chester's worries too seriously. He had s'more to think about. But then, the Monroes set up camp near two strange men and their even stranger dog, and things began to happen that made even Harold wonder. Could Chester be right?

This begins a long night, full of terrors and alarms, full of Chester's horrifying tale of how Bunnacula, the vampire bunny, was born and came to America, full of storms and a total sense of danger; and at the end came surprises that even Chester could not have predicted. Once again, the Monroe family may be the victims of evil forces or only of Chester's strange imagination. But whichever, the result is suspenseful and very, very funny.

Bunnacula Strikes Again! *Simon and Schuster*

"Let's just say the matter is under control," Chester slyly tells his pals Harold and Howie. But what on earth does he mean? It seems that Bunnacula, the vampire rabbit, is back to his old ways -- or so Chester thinks, having found pale vegetables drained of their juices scattered about the Monroe family kitchen. And now, once and for all, Chester is determined to save the world from this threat. But why has Bunnacula -- so frisky just a short time ago -- been so listless and tired of late? Is this part of Chester's scheme? Can Harold let Chester get

away with hurting an innocent bunny, no matter what his harebrained suspicions are? It is not long before the Monroes notice Bunnacula's condition and rush him to the vet, and then the chase is on, ending up with a dramatic confrontation in a most unusual (and dangerous!) location.

Return to Howliday Inn *Simon and Schuster*

First there is the omen: A relentless rain stops suddenly at 3:00 am and Chester shows Harold and Howie a cat carrier, open and waiting, by the front door. Chester, who has been reading avidly about the paranormal, predicts that they will soon be traveling someplace, and chances are they are not going to like it. Indeed they are not, as the very next day, with the sun shining bright and clear, the Monroes finally leave for their vacation, dropping Chester, Harold, and Howie off at the scene of some previous

harrowing experiences -- Chateau Bow-Wow, the boarding kennel that Chester so aptly had dubbed "Howliday Inn." And this visit promises to be no less harrowing than the last one. The three are greeted by a whole new group of temporary residents. There's Hamlet, the Great Dane, whose sadness grows deeper with his certainty that his beloved master Archie will never return to pick him up. And Bob and Linda, a pair of yuppie puppies from fashionable Upper Centerville who have been left at Chateau Bow-Wow with a more than adequate supply of gourmet treats, also seem to have been left with a more than adequate supply of worries. Then there are Felony and Miss

Demeanor, sinister sisters in crime who pride themselves as cat burglars, and The Weasel who tries almost too hard to make a good impression. Chester is certain that nothing bodes well and he is right. Unexplained voices, buried bones, a collar with the name Rosebud on it, and a secret code all make for a paranormal experience that none of the guests at Chateau Bow-Wow will ever forget.

Howliday Inn

The Monroes have gone on vacation, leaving Harold and Chester at Chateau Bow-Wow -- not exactly a four-star hotel. On the animals' very first night there, the silence is pierced by a peculiar wake-up call -- an unearthly howl that makes Chester observe that the place should

be called Howliday Inn.

Bunnacula Meets Edgar Allan Crow

Simon and Schuster

The Monroe house is going mad with excitement. Pete has just won a contest, and the prize is a school visit from none other than M. T. Graves, Pete's idol and the bestselling author of the *FleshCrawlers* series. He's even going to stay with the Monroes while he's visiting! Harold and Howie are thrilled, but Chester the cat is suspicious. Why does Graves dress all in black? Why doesn't the beady-eyed crow perched on his shoulder say anything? Why has a threatening flock of crows invaded the backyard? And most worrisome of all: In each of the

FleshCrawlers books, why does something bad always happen to the pets? Suddenly, Graves's interest in all of the animals -- especially Bunnacula -- looks far from innocent. It's up to Chester, Harold, and Howie to find out if M. T. Graves and Edgar Allan Crow are really devising a plot to make their beloved bunny. . . NEVERMORE.

Rabbit-cadabra!

The early twentieth century saw the transformation of the southern Irish Protestants from a once strong people into an isolated, pacified community. Their influence, status and numbers had all but disappeared by the end of the civil war in 1923 and they were to form a quiescent minority up to modern times. This book tells the tale of this transformation and their forced adaptation, exploring the lasting effect that it had on both the Protestant community and the wider Irish society and investigating how Protestants in southern Ireland view their place in the Republic today.
