thoughts clearly. Use an approachable tone and mention exactly what you need from your parents.

Sample welcome letter to parents - LettersPro.com

Your Welcome Letter should be personally addressed. This is table stakes at this point. There's simply no excuse for addressing your new parents as "New Parents". They have names, and those names should be programmed into your system so that you can address them directly. If you don't have the know-how to do this, or to implement this, find someone who does and ask them to help.
