Adventures In Human Being A

In *Adventures in Human Being*, Gavin Francis leads the reader on a journey through health and illness, offering insights on everything from the ribbed surface of the brain to the secret workings of the heart and the womb; from the pulse of life at the wrist to the unique engineering of the foot.

Adventures in Human Being (Wellcome Collection): Amazon.co ...

'*Adventures in Human Being*' are a collection of interesting vignettes about the human body by a practicing physician. In eighteen chapters Gavin Francis takes us on a journey from our heads to our feet, explaining through a representative case history of an actual patient how a body organ or system works, adding to the story the often fanciful and metaphysical guesses of physicians in earlier civilizations.

Adventures in Human Being: A Grand Tour from the Cranium ...

We have a lifetime's association with our bodies, but for many of us they remain uncharted territory. In *Adventures in Human Being*, Gavin Francis leads the reader through a cultural map of the body, taking in health and illness, and offering insights on everything from the ribbed surface of the brain to the secret workings of the heart and the womb, from the pulse of life at the wrist to the unique engineering of the foot.

Adventures in Human Being - Gavin Francis

Adventures in Human Being could be described as a road map to the flesh, written by a guide who is scrupulously attentive to the details of how we work and exquisitely aware of the glimpses of the soul behind the machinery. Francis is not only an experienced doctor but also steeped in both the classics and contemporary literature.
