Monsters in the Dungeons & Dragons fantasy role-playing game are generally the antagonists which players must fight and defeat to progress in the game. Since the game's first edition in 1974, a bestiary was included along other game manuals, first called Monsters & Treasure and now commonly called the Monster Manual. Described as an "essential" part of Dungeons & Dragons, the game's monsters have become notable in their own right, influencing fields such as video games and fiction, as well as po

Monsters in Dungeons & Dragons - Wikipedia
The Monster Manual is the primary bestiary sourcebook for monsters in the Dungeons & Dragons fantasy role-playing game, first published in 1977 by TSR. It includes monsters derived from mythology and folklore, as well as creatures created specifically for D&D. It describes each with game-specific statistics, and a brief description of its habits and habitats. Most of the entries also have an image of the creature. Along with the Player's Handbook and Dungeon Master's Guide, it is one of the thre
