We Should Hang Out Sometime *Little, Brown Books for Young Readers*

From Paralympic ski racer and YouTube star, Josh Sundquist, comes an always-funny (and sometimes-awkward) memoir about teenage misadventures. When I was twenty-five years old, it came to my attention that I had never had a girlfriend. At the time, I was actually under the impression that I was in a relationship, so this bit of news came as something of a shock. Why was Josh still single? To find out, he tracked down each of the girls he had tried to date since middle school and asked them straight up: What went wrong? The results of Josh's semiscientific investigation are in your hands. From a disastrous Putt-Putt date involving a backward prosthetic foot, to his introduction to CFD (Close Fast Dancing), and a misguided "grand gesture" at a Miss America pageant, this story is about looking for love--or at least a girlfriend--in all the wrong places. Poignant, relatable, and totally hilarious, this memoir is for anyone who has ever wondered, "Is there something wrong with me?" (Spoiler Alert: the answer is no.)

Just Don't Fall *Penguin Group Australia*

A remarkable odyssey that John le Carre calls 'inspiring, courageous, sometimes heartbreaking' Josh Sundquist was an energetic and inquisitive nine-year-old when he was diagnosed with Ewing's sarcoma, a virulent cancer that eventually claimed his left leg. His extraordinary journey takes him from his small southern town-with his father, an aspiring pastor questioning his faith, and his mother, a rigidly conservative homeschool teacher-through a dizzying array of hospitals, on to high school, and then to the mountains, where Josh learns to ski. On the slopes, Josh's world bursts wide open and he finds within him the drive to become a champion skier, despite his disability. While he navigates the dramas of high school and an unstable home life, Josh keeps his eyes on the prize-the 2006 Paralympics in Turin, Italy. Just Don't Fall isn't just the story of a boy becoming a man, but of a champion realizing his greatest aspiration.

Love and First Sight *Little, Brown Books for Young Readers*

In his debut novel, YouTube personality and author of *We Should Hang Out Sometime* Josh Sundquist explores the nature of love, trust, and romantic attraction. On his first day at a new school, blind sixteen-year-old Will Porter accidentally groped a girl on the stairs, sat on another student in the cafeteria, and somehow drove a classmate to tears. High school can only go up from here, right? As Will starts to find his footing, he develops a crush on a charming, quiet girl named Cecily. Then an unprecedented opportunity arises: an experimental surgery that could give Will eyesight for the first time in his life. But learning to see is more difficult than Will ever imagined, and he soon discovers that the sighted world has been keeping secrets. It turns out Cecily doesn't meet traditional definitions of beauty--in fact, everything he'd heard about her appearance was a lie engineered by their so-called friends to get the two of them together. Does it matter

what Cecily looks like? No, not really. But then why does Will feel so betrayed? Told with humor and breathtaking poignancy, *Love and First Sight* is a story about how we relate to each other and the world around us.

Semi-Famous

Social media star and comedian Josh Sundquist takes readers on his hilarious journey to the fringes of viral stardom to discover if it's possible to be both very famous and very happy. As a semi-famous internet creator, Josh Sundquist knows what it's like to chase fame, but he also knows that more fame usually means more stress. So he set out on a pseudo-scientific investigation to find out if there is any way for fame and happiness to overlap. He attempts to define the word "fame"--hint: it's harder than you'd think. He turns back time to identify the first facially-recognizable celebrity (you might know his former BFF Brutus). He digs into the numbers to debunk urban legends associated with stardom (ever heard of the 27 Club?). He talks to other semi-famous people (from K-pop sensations to former child stars) and asks them: Is this fame thing making you happy? If not, why are you doing it? If so, what's your secret? All while recounting funny stories about his own cringy fame-seeking (like his many attempts, and failures, to get onto MTV). Packed with playful diagrams, fascinating insights from celebrities, and embarrassing truths from Josh's experience with semi-fame, this is a must-read for anyone who has ever dreamed of becoming famous...or at least going viral on TikTok.

Let it Go *Simon and Schuster*

With *Let It Go* Bishop Jakes shows us how we can lead an emotionally vital and spiritually healthy life by learning how to forgive and be forgiven. ‘Our inability to forgive past offenses

robs us of joy, peace, and purpose, poisoning our souls with lethal toxins that drain every area of our life. Just as seemingly harmless, carefree moments spent basking in sunshine can lead to the development of a malignant melanoma, the grudges we harbour can metastasize into a cancer on our souls, eating away at our strength, happiness, and productivity. “If we want to experience a life filled with peace, productivity, and power, then we must practice the art of forgiveness. In order to practice forgiveness, we must learn new styles of conflict resolution and new forms of anger management. Aware of God’s amazing grace, we can now ask him to forgive us as we forgive those who trespass against us. We can love others out of an awareness of how we ourselves have been forgiven by God and loved unconditionally as his child.’ Chapter titles include: Cancer of the Soul, Offenses Do Come, Where Did This Come From?, Silence Doesn’t Mean Consent, The Power of a Pure Heart, Write It Off, Trust Doesn’t Come Easy, Recovery Rate, Uprooted, Available for What’s Next, Forgiven for Good.

Is Everyone Hanging Out Without Me? (And Other Concerns)(Enhanced Edition) *Crown/Archetype*

Mindy Kaling has lived many lives: the obedient child of immigrant professionals, a timid chubster afraid of her own bike, a Ben Affleck-impersonating Off-Broadway performer and playwright, and, finally, a comedy writer and actress prone to starting fights with her friends and coworkers with the sentence “Can I just say one last thing about this, and then I swear I’ll shut up about it?” Perhaps you want to know what Mindy thinks makes a great best friend (someone who will fill your prescription in the

middle of the night), or what makes a great guy (one who is aware of all elderly people in any room at any time and acts accordingly), or what is the perfect amount of fame (so famous you can never get convicted of murder in a court of law), or how to maintain a trim figure (you will not find that information in these pages). If so, you've come to the right book, mostly! In *Is Everyone Hanging Out Without Me?*, Mindy invites readers on a tour of her life and her unscientific observations on romance, friendship, and Hollywood, with several conveniently placed stopping points for you to run errands and make phone calls. Mindy Kaling really is just a Girl Next Door—not so much literally anywhere in the continental United States, but definitely if you live in India or Sri Lanka. This enhanced eBook includes an audio introduction from the author; audio commentary from Mindy's friends, including *The Office* costar B. J. Novak and *Parks and Recreation* creator Michael Schur; bonus photos, including an exclusive "Avalanche of Awkwardness" slideshow of never-before-seen childhood photos with audio commentary; and three full chapters read by the author.

They Call Me a Hero *Simon and Schuster*

A student and intern credited with saving the life of Gabrielle Giffords during the Tucson shooting shares the story of his life while exploring the character qualities that have helped him rise above adversity and pursue his goals.

Rapture Practice *Little, Brown Books for Young Readers*

A poignant and funny memoir that explores growing up in a Fundamentalist Christian family while questioning one's faith,

identity, and place in the world. Sometimes salvation is found in the strangest places: a true story. Aaron Hartzler grew up in a home where he was taught that at any moment the Rapture could happen. That Jesus might come down in the twinkling of an eye and scoop Aaron and his family up to heaven. As a kid, Aaron was thrilled by the idea that every moment of every day might be his last one on planet Earth. But as Aaron turns sixteen, he finds himself more attached to his earthly life and curious about all the things his family forsakes for the Lord. He begins to realize he doesn't want the Rapture to happen just yet--not before he sees his first movie, stars in the school play, or has his first kiss. Eventually Aaron makes the plunge from conflicted do-gooder to full-fledged teen rebel. Whether he's sneaking out, making out, or playing hymns with a hangover, Aaron learns a few lessons that can't be found in the Bible. He discovers that the best friends aren't always the ones your mom and dad approve of, and the tricky part about believing is that no one can do it for you. In this funny and heartfelt coming-of-age memoir, debut author Aaron Hartzler recalls his teenage journey to find the person he is without losing the family that loves him. It's a story about losing your faith and finding your place and your own truth--which is always stranger than fiction.

The Geography of You and Me *Poppy*

Lucy lives on the twenty-fourth floor. Owen lives in the basement. It's fitting, then, that they meet in the middle -- stuck between two floors of a New York City apartment building, on an elevator rendered useless by a citywide blackout. After they're rescued, Lucy and Owen spend the night wandering the darkened streets and marveling at the rare appearance of stars above Manhattan. But once the power is back, so is reality. Lucy soon moves abroad with her parents, while Owen heads out west with his father. The brief time they spend together leaves a mark. And as their lives take them to Edinburgh and to San Francisco, to Prague and to Portland, Lucy and Owen stay in touch through postcards, occasional e-mails, and phone calls. But can they -- despite the odds -- find a way to reunite? Smartly observed and wonderfully romantic, Jennifer E. Smith's new novel shows that the center of the world isn't necessarily a place. Sometimes, it can be a person.
