A foreign-based manufacturer is concerned about their cash flows
 in their home currency. A stronger US dollar means that each
 dollar earned in revenues will translate into more of their home
 currency. Thus, a stronger US dollar will tend to help foreign-
 based manufacturers that sell their products in the US.

Abstract. This chapter contains solutions or answers to all of the
 exercises in the text. It should be noted that we did not always
 choose the shortest or most elegant solution to an exercise
 question. Some of the solutions have been provided over the
 years by our students, and will often indicate the most obvious or
 direct approach for finding the answer to a given question.
