While international efforts to combat terrorism have focused on the need to enhance cooperation between states, proponents of human rights (as well as human security) have suggested that more effort needs to be given to the effective inclusion of human rights protection as a crucial element in that cooperation. They argue that international human rights obligations do not stop at borders, and a failure to respect human rights in one state may undermine its effectiveness in the global effort ...

Counter-terrorism - Wikipedia

War II period to effectively combat terrorism at home and abroad is, indeed, puzzling. After all, all nations are fully aware that the most critical element in combating the challenge of terrorism is intelligence. That is, the knowledge acquired, whether overtly or covertly, for the purpose of both internal and external statecraft.
