The Color Purple *Open Road Media*
Winner of the Pulitzer Prize and the National Book Award, this novel about a

resilient and courageous woman has become a Broadway show and a cultural phenomenon. A PBS Great American Read Top 100 Pick Celie has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning twenty years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets Shug Avery, her husband's mistress and a jazz singer with a zest for life, and her stepson's wife, Sophia, who challenges her to fight for independence. And though the many letters from Celie's sister are hidden by her husband, Nettie's unwavering support will prove to be the most breathtaking of all. The Color Purple has sold more than five million copies, inspired an Academy Award-nominated film starring Oprah Winfrey and directed by Steven Spielberg, and been adapted into a Tony-nominated Broadway musical. Lauded as a literary masterpiece, this is the groundbreaking novel that placed Walker "in the company of Faulkner" (The Nation), and remains a wrenching—yet intensely uplifting—experience for new generations of readers. This ebook features a new introduction written by the author on the twenty-fifth anniversary of publication, and an illustrated biography of Alice Walker including rare photos from the author's

personal collection. The Color Purple is the 1st book in the Color Purple Collection, which also includes The Temple of My Familiar and Possessing the Secret of Joy.

In Search of The Color Purple

The Story of an American Masterpiece *Abrams*

Mixing cultural criticism, literary history, biography, and memoir, an exploration of Alice Walker's critically acclaimed and controversial novel, *The Color Purple* Alice Walker made history in 1983 when she became the first black woman to win the Pulitzer Prize and the National Book Award for *The Color Purple*. Published in the Reagan era amid a severe backlash to civil rights, the Jazz Age novel tells the story of racial and gender inequality through the life of a 14-year-old girl from Georgia who is haunted by domestic and sexual violence. Prominent academic and activist Salamishah Tillet combines cultural criticism, history, and memoir to explore Walker's epistolary novel and shows how it has influenced and been informed by the zeitgeist. *The Color Purple* received both praise and criticism upon publication, and the conversation it sparked around race and gender still continues today. It has been adapted for an Oscar-nominated film and a hit Broadway musical. Through archival research and interviews with Walker, Oprah Winfrey, and Quincy Jones (among others), Tillet studies Walker's life and how themes of violence emerged in her earlier work. Reading *The Color Purple* at age 15 was a groundbreaking experience for Tillet. It continues to resonate with her—as a sexual violence survivor, as a teacher of the novel, and as an accomplished academic.

Provocative and personal, *In Search of The Color Purple* is a bold work from an important public intellectual, and captures Alice Walker's seminal role in rethinking sexuality, intersectional feminism, and racial and gender politics.

The Color Purple *Penguin*

Winner of the Pulitzer Prize and the National Book Award, Alice Walker's iconic modern classic, now in a beautiful 40th anniversary Penguin Vitae edition with a foreword by Kiese Laymon. A Penguin Classic Hardcover. A powerful cultural touchstone of modern American literature, *The Color Purple* depicts the lives of African American women in early twentieth-century rural Georgia. Separated as girls, sisters Celie and Nettie sustain their loyalty to and hope in each other across time, distance and silence. Through a series of letters spanning twenty years, first from Celie to God, then the sisters to each other despite the unknown, the novel draws readers into its rich and memorable portrayals of Celie, Nettie, Shug Avery and Sofia and their experience. The

Color Purple broke the silence around domestic and sexual abuse, narrating the lives of women through their pain and struggle, companionship and growth, resilience and bravery. Deeply compassionate and beautifully imagined, Alice Walker's epic carries readers on a spirit-affirming journey toward redemption and love.

The Temple of My Familiar *Open Road Media*

The Pulitzer Prize-winning author of *The Color Purple* weaves a "glorious and iridescent" tapestry of interrelated lives in this New York Times bestseller (Library Journal). In *The Temple of My Familiar*, Celie and Shug from *The Color Purple* subtly shadow the lives of dozens of characters, all dealing in some way with the legacy of the African experience in America. From recent African immigrants, to a woman who grew up in the mixed-race rainforest communities of South America, to Celie's own granddaughter living in modern-day San Francisco, all must come to understand the brutal stories of their ancestors to come to terms with their own troubled lives. As Walker follows these astonishing characters, she weaves a new mythology from old fables and history, a profoundly spiritual explanation for centuries of shared African-American experience. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection. *The Temple of My Familiar* is the 2nd book in the *Color Purple Collection*, which also includes *The Color Purple* and *Possessing the Secret of Joy*.

Morning in the Burned House

New Poems *Houghton Mifflin Harcourt*

These beautifully crafted poems - by turns dark, playful, intensely moving, tender, and intimate - make up Margaret Atwood's most accomplished and versatile gathering to date, "setting foot on the middle ground / between body and word." Some draw on history, some on myth, both classical and popular. Others, more personal, concern themselves with love, with the fragility of the natural world, and with death, especially in the elegiac series of meditations on the death of a parent. But they also inhabit a contemporary landscape haunted by images of the past. Generous, searing, compassionate, and disturbing, this poetry rises out of human experience to seek a level between luminous memory and the

realities of the everyday, between the capacity to inflict and the strength to forgive.

Possessing the Secret of Joy *Open Road Media*

An American woman struggles with the genital mutilation she endured as a child in Africa in a New York Times bestseller "as compelling as *The Color Purple*" (San Francisco Chronicle). In Tashi's tribe, the Olinka, young girls undergo female genital mutilation as an initiation into the community. Tashi manages to avoid this fate at first, but when pressed by tribal leaders, she submits. Years later, married and living in America as Evelyn Johnson, Tashi's inner pain emerges. As she questions why such a terrifying, disfiguring sacrifice was required, she sorts through the many levels of subjugation with which she's been burdened over the years. In *Possessing the Secret of Joy*, Alice Walker exposes the abhorrent practice of female genital mutilation in an unforgettable, moving novel. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection. *Possessing the Secret of Joy* is the 3rd book in the *Color Purple Collection*, which also includes *The Color Purple* and *The Temple of My Familiar*.

In Search of the Dark Ages *Random House*

This edition of Michael Wood's groundbreaking first book explores the fascinating and mysterious centuries between the Romans and the Norman Conquest of 1066. *In Search of the Dark Ages* vividly conjures up some of the most famous names in British history, such as Queen Boadicea, leader of a terrible war of resistance against the Romans, and King Arthur, the 'once and future king', for whose riddle Wood proposes a new and surprising solution. Here too, warts and all, are the Saxon, Viking and Norman kings who laid the political foundations of England - Offa of Mercia, Alfred the Great, Athelstan, and William the Conqueror, whose victory at Hastings in 1066 marked the end of Anglo-Saxon England. Reflecting recent historical, textual and archaeological research, this revised edition of Michael Wood's classic book overturns preconceptions of the Dark Ages as a shadowy and brutal era, showing them to be a richly exciting and formative period in the history of Britain. 'With *In Search of the Dark Ages*, Michael Wood wrote the book for history on TV.' The

Times 'Michael Wood is the maker of some of the best TV documentaries ever made on history and archaeology.' Times Literary Supplement

By the Light of My Father's Smile

A Novel *Ballantine Books*

A family from the United States goes to the remote Sierras in Mexico--Susannah, the writer-to-be; her sister, Magdalena; and their father and mother. There, amid an endangered band of mixed-race blacks and Indians called the Mundo, they begin an encounter that will change them more than they could ever dream. Moving back and forth in time, and among unforgettable characters and their magical stories, Walker brilliantly explores the ways in which a woman's denied sexuality leads to the loss of the much prized and necessary original self--and how she regains that self, even as her family's past of lies and love is transformed. . . .

Hard Times Require Furious Dancing

New Poems *New World Library*

"I was born to grow, / alongside my garden of plants, / poems / like / this

one" So writes Alice Walker in this new book of poems, poems composed over the course of one year in response to joy and sorrow both personal and global: the death of loved ones, war, the deliciousness of love, environmental devastation, the sorrow of rejection, greed, poverty, and the sweetness of home. The poems embrace our connections while celebrating the joy of individuality, the power we each share to express our truest, deepest selves. Beloved for her ability to speak her own truth in ways that speak for and about countless others, she demonstrates that we are stronger than our circumstances. "These stories will last," said Raymond Carver of *Shiloh and Other Stories* when it was first published, and almost two decades later this stunning fiction debut and winner of the PEN/Hemingway Award has become a modern American classic. In *Shiloh*, Bobbie Ann Mason introduces us to her western Kentucky people and the lives they forge for themselves amid the ups and downs of contemporary American life, and she poignantly captures the growing pains of the New South in the lives of her characters as they come to terms with feminism, R-rated movies, and video

games. "Bobbie Ann Mason is one of those rare writers who, by concentrating their attention on a few square miles of native turf, are able to open up new and surprisingly wide worlds for the delighted reader," said Robert Towers in *The New York Review of Books*.

Black Joy

Stories of Resistance, Resilience, and Restoration *Simon and Schuster*

A timely collection of deeply personal, uplifting, and powerful essays that celebrate the redemptive strength of Black joy—in the vein of *Black Girls Rock*, *You Are Your Best Thing*, and *I Really Needed This Today*. When Tracey M. Lewis-Giggetts wrote an essay on Black joy for *The Washington Post*, she had no idea just how deeply it would resonate. But the outpouring of responses affirmed her own lived experience: that Black joy is not just a weapon of resistance, it is a tool for resilience. With this book, Tracey aims to gift her community with a collection of lyrical essays about the way joy has evolved, even in the midst of trauma, in her own life. Detailing these instances of joy in the context of Black culture allows us to recognize the power of Black joy as a resource to draw upon, and to challenge the one-note narratives of Black life as solely comprised of trauma and hardship. *Black Joy* is a collection that will recharge you. It is the kind of book that is passed between friends and offers both challenge and comfort at the end of a long day. It is an answer for anyone who needs confirmation that they are not alone and a brave place to quiet their mind and heal their soul.

Hana's Suitcase

Second Story Press

New edition with foreword by Nobel Peace Prize winner Desmond Tutu: "How extraordinary that this humble suitcase has enabled children all over the world to learn through Hana's story the terrible history of what happened and that it continues to urge them to heed the warnings of history." In the spring of 2000, Fumiko Ishioka, the curator of a small Holocaust education centre for children in Tokyo, received a very special shipment for an exhibit she was planning. She had asked the curators at the Auschwitz museum if she could borrow some artifacts connected to the experience of children at the camp. Among the items she received was an empty suitcase. From the moment she saw it, Fumiko was captivated by the writing on the outside that identified its owner - Hana Brady, May 16, 1931, Waisenkind (the German word for orphan). Children visiting the centre were full of questions. Who was Hana Brady? Where did she come from? What was she like? How did Hana become an orphan? What happened to her? Fueled by the children's curiosity and her own need to know, Fumiko began a year of detective work, scouring the world for clues to the story of Hana Brady. Writer Karen Levine follows Fumiko in her search through history, from present-day Japan, Europe and North America back to 1938 Czechoslovakia and the young Hana Brady, a fun-loving child with a

passion for ice skating. Together with Fumiko, we learn of Hana's loving parents and older brother, George, and discover how the family's happy life in a small town was turned upside down by the invasion of the Nazis. Based on an award-winning CBC documentary, Hana's Suitcase takes the reader on an incredible journey full of mystery and memories, which come to life through the perspectives of Fumiko, Hana and later Hana's brother, who now lives in Canada. Photographs and original wartime documents enhance this extraordinary story that bridges cultures, generations and time. Ideal for young readers aged 9 and up. Hana's Suitcase is part of the award-winning Holocaust Remembrance Series for Young Readers.

The Road Home

A Novel *Little, Brown*

In the wake of factory closings and his beloved wife's death, Lev is on his way from Eastern Europe to London, seeking work to support his mother and his little daughter. After a spell of homelessness, he finds a job in the kitchen of a posh restaurant, and a room in the house of an appealing Irishman who has also lost his family. Never mind that Lev must sleep in a bunk bed surrounded by plastic toys -- he has found a friend and shelter. However constricted his life in England remains he compensates by daydreaming of home, by having an affair with a younger restaurant worker

(and dodging the attentions of other women), and by trading gossip and ambitions via cell phone with his hilarious old friend Rudi who, dreaming of the wealthy West, lives largely for his battered Chevrolet. Homesickness dogs Lev, not only for nostalgic reasons, but because he doesn't belong, body or soul, to his new country -- but can he really go home again? Rose Tremain's prodigious talents as a prose writer are on full display in *The Road Home*, but her novel never loses sight of what is truly important in the lives we lead.

The Third Life of Grange Copeland *Open Road Media*

From the New York Times–bestselling author of *The Color Purple*: A “moving, tender” novel of a Deep South tenant farmer’s quest for a new life (Publishers Weekly). Grange Copeland, a deeply

conflicted and struggling tenant farmer in the Deep South of the 1930s, leaves his family and everything he’s ever known to find happiness and respect in the cold cities of the North. This misadventure, his “second life,” proves a dismal failure that sends him back where he came from to confront his now-grown-up son’s disastrous relationships with his own family, including Grange’s granddaughter, Ruth Copeland, a child that Grange grows to love. Love becomes the substance of his third and final life. He spends it in devotion to Ruth, teaching and protecting her—though the cost of doing so is almost more than he can bear. From a Pulitzer Prize and National Book Award winner, this is an “honest sensitive tale . . . leavened by those moments of humor and warmth that have enabled men and women to endure so much tragedy” (Chicago Daily News). This ebook features an illustrated biography of Alice Walker including rare photos from the author’s personal collection.
