### **Be Obsessed or Be Average** *Penguin*

From the millionaire entrepreneur and New York Times bestselling author of *The 10X Rule* comes a bold and contrarian wake-up call for anyone truly ready for success. One of the 7 best motivational books of 2016, according to Inc. Magazine. Before Grant Cardone built five successful companies (and counting), became a multimillionaire, and wrote bestselling books... he was broke, jobless, and drug-addicted. Grant had grown up with big dreams, but friends and family told him to be more reasonable and less demanding. If he played by the rules, they said, he could enjoy everyone else's version of middle class success. But when he tried it their way, he hit rock bottom. Then he tried the opposite approach. He said NO to the haters and naysayers and said YES to his burning, outrageous, animal obsession. He reclaimed his obsession with wanting to be a business rock star, a super salesman, a huge philanthropist. He wanted to live in a mansion and even own an airplane. Obsession made all of his wildest dreams come true. And it can help you achieve massive success too. As Grant says, we're in the middle of an epidemic of average. The conventional wisdom is to seek balance and take it easy. But that has really just given us an excuse to be unexceptional. If you want real success, you have to know how to harness your obsession to rocket to the top. This book will give you the inspiration and tools to break out of your cocoon of mediocrity and achieve your craziest dreams. Grant will teach you how to:

- Set crazy goals—and reach them, every single day.
- Feed the beast: when you value money and spend it on the right things, you get more of it.
- Shut down the doubters—and use your haters as fuel. Whether you're a sales person, small

business owner, or 9-to-5 working stiff, your path to happiness runs through your obsessions. It's a simple choice: be obsessed or be average.

### Nothing to Lose, Everything to Gain

### How I Went from Gang Member to Multimillionaire Entrepreneur *Penguin*

Like many entrepreneurs, Ryan Blair had no formal business education. But he had great survival instincts, tenacity, and, above all, a "nothing to lose" mindset. His middle-class childhood ended abruptly when his abusive father succumbed to drug addiction and abandoned the family. Blair and his mother moved to a rough neighborhood, and soon he was in and out of juvenile detention, joining a gang just to survive. Then his mother fell in love with a successful entrepreneur who took Ryan under his wing. With his mentor's guidance, Blair started his first company, 24/7 Tech, at age twenty-one. He has since created and sold several companies for hundreds of millions of dollars. This is an inspirational guide full of powerful stories and lessons and a road map for entrepreneurial success.

### Rock Bottom to Rock Star

### Lessons from the Business School of Hard Knocks *Penguin*

Can you remember that one time you got recognized or someone thanked you for your contribution to their life? You were a rock

star, even for just one second. This book isn't about a charmed path to success or some untouchable fairy tale that nobody can relate to-this is about going from rock bottom to rock star, something that everybody can relate to. In his first book, Blair shared the brutally honest story of how he went from an at-risk youth, sleeping on a mattress on the floor of a shack, to a self-made multimillionaire by his early twenties. As his story became a national sensation, fans started asking him how they too could become entrepreneurs, take their careers to the next level, and achieve financial freedom. Rock Bottom to Rock Star answers those questions. Blair has battled extreme obstacles: life as a former gang member, balancing a demanding career with single parenthood, building and selling multiple companies, and making and losing tens of millions of dollars (sometimes all in one day). He wants to help others avoid the mistakes he made in the school of hard knocks, so he has compiled his unique advice for going from rock bottom to rock star in whatever field you chose to pursue. Much of his advice is counterintuitive, and definitely not what you would learn in business school. Here's one example: "Don't believe your own hype. The moment you start celebrating, you've left the stage. It wasn't celebration that made you a rock star. It was hard work." If you're serious about making the most of your life and you're ready to become the "rock star next door" instead of just looking up to them, this may be the most rewarding book you'll ever read.

What if school was sports, and sports were school? A talented teen athlete questions reality—and the role she plays in it—when a mysterious injury upends her world. Athletics are everything for eighth-grader KT Sutton. She's a softball star, and she's on track to get a college scholarship and achieve international fame. Then one day during a championship game—in the middle of an important play—she suddenly blacks out. When she wakes up, she's in a different world. One where school is class after class of athletic drills, and after-school sports are replaced by popular academic competitions. One where KT is despised for her talent, and where her parents are fixated on her brother's future athletics career rather than KT's softball hopes. KT is desperate to get back to reality as she knew it, but bits and pieces of disturbing memories and dreams make her wonder if something truly awful happened there. What if she's lost something a lot more important than a softball game? From New York Times bestselling author of *Sent* and *Sabotaged*, an engaging and highly relevant exploration of society's debate of smarts versus sports.

For entrepreneurs ready to reach the next level of success, small

business owner turned multibillionaire Tilman Fertitta shares the commonsense principles that have rocketed his worldwide hospitality empire to the top. For aspiring entrepreneurs or people in business, this book will help you take your company to the next level. When you put this book down, you'll know what you're doing right and what you're doing wrong to operate your business, and if you're just getting started, it will help set you up for success. Tilman Fertitta, also known as the Billion Dollar Buyer, started his hospitality empire thirty years ago with just one restaurant. So he knows the challenges that business owners face, as well as the common pitfalls that cause them to go under. Over the years he's stayed true to the principles that helped him scale his business to what is believed to be the largest single-shareholder company in America, with over \$4 billion in revenue, including hundreds of restaurants (Landry's Seafood, Bubba Gump Shrimp Company, Morton's Steakhouse, Mastro's, The Chart House, Rainforest Café, and over forty more restaurant concepts) and five Golden Nugget Casinos. He's also sole owner of the NBA's Houston Rockets. In *Shut Up and Listen!*, he shares the key insights that made it all possible. When entrepreneurs appear on Billion Dollar Buyer, the biggest obstacles they often face are ones they don't suspect: not knowing your numbers, not knowing your strengths and weaknesses, or not being willing to go that extra mile with your customers. Fertitta has seen it all. He knows that what you aren't paying attention to can either sink your business or become the very things that launch you to the top. As Fertitta says: "You might think you know what you're doing, but I'm going to show you what you don't know." Fertitta shares straight-talk "Tilmanisms" around six key action items

### **Irresistible**

#### **The Rise of Addictive Technology and the Business of Keeping Us Hooked** *Penguin*

"Irresistible is a fascinating and much needed exploration of one of the most troubling phenomena of modern times." —Malcolm Gladwell, author of New York Times bestsellers David and Goliath and Outliers "One of the most mesmerizing and important books I've read in quite some time. Alter brilliantly illuminates the new obsessions that are controlling our lives and offers the tools we need to rescue our businesses, our families, and our sanity." —Adam Grant, New York Times bestselling author of Originals and Give and Take Welcome to the age of behavioral addiction—an age in which half of the American population is addicted to at least one behavior. We obsess over our emails, Instagram likes, and Facebook feeds; we binge on TV episodes and YouTube videos; we work longer hours each year; and we spend an average of three hours each day using our smartphones. Half of us would rather suffer a broken bone than a broken phone, and Millennial kids spend so much time in front of screens that they struggle to interact with real, live humans. In this revolutionary book, Adam Alter, a professor of psychology

and marketing at NYU, tracks the rise of behavioral addiction, and explains why so many of today's products are irresistible. Though these miraculous products melt the miles that separate people across the globe, their extraordinary and sometimes damaging magnetism is no accident. The companies that design these products tweak them over time until they become almost impossible to resist. By reverse engineering behavioral addiction, Alter explains how we can harness addictive products for the good—to improve how we communicate with each other, spend and save our money, and set boundaries between work and play—and how we can mitigate their most damaging effects on our well-being, and the health and happiness of our children. Adam Alter's previous book, *Drunk Tank Pink: And Other Unexpected Forces that Shape How We Think, Feel, and Behave* is available in paperback from Penguin.

### **The Idea Hunter**

**How to Find the Best Ideas and Make them Happen** *John Wiley & Sons*

A different way of discovering and developing the best business ideas Jack Welch once said, "Someone, somewhere has a better idea." In this myth-busting book, the authors reveal that great business ideas do not spring from innate creativity, or necessarily from the brilliant minds of people. Rather, great ideas come to those who are in the habit of looking for great ideas all around them, all the time. Too often, people fall into the trap of thinking that the only worthwhile idea is a thoroughly original one. Idea Hunters know better. They understand that valuable ideas are already out there, waiting to be found - and not just in the usual places. Shows how to expand your capacity to find and develop winning business ideas Explains why ideas are a critical asset for every manager and professional, not just for those who do "creative" Reveals how to seek out and select the ideas that best serve your purposes and goals and define who you are, as a professional Offers practical tips on how to master the everyday habits of an Idea Hunter, which include cultivating great conversations The book is filled with illustrative accounts of successful Idea Hunters and stories from thriving "idea" companies. Warren Buffet, Walt Disney, Thomas Edison, Mary

Kay Ash, Twitter, and Pixar Animation Studios are among the many profiled.

People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of

work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. In *The ONE Thing*, you'll learn to \* cut through the clutter \* achieve better results in less time \* build momentum toward your goal \* dial down the stress \* overcome that overwhelmed feeling \* revive your energy \* stay on track \* master what matters to you *The ONE Thing* delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING?

### **Complicated Game**

#### **Inside the Songs of XTC** *Jawbone Press*

*Complicated Game* offers a unique insight into the work of one of Britain's most original and influential songwriters--Andy Partridge. It is also an unprecedentedly revealing and instructive guide to how songs and records are made. Developed from a series of interviews conducted over many months, the book explores in detail some thirty XTC songs--including well-known singles such

as 'Senses Working Overtime' and the controversial 'Dear God'--from throughout the group's thirty-year career. It casts new light on the writing of lyrics, the construction of melodies and arrangements, the process of recording, and the workings of the music industry. But it is also filled with anecdotes about Partridge, his XTC bandmates, and their adventures around the world, all told with the songwriter's legendary humor.

### **Business for Punks**

#### **Break All the Rules--the BrewDog Way** *Penguin*

Forget about building a business--businesses fail and fade into oblivion. Start a revolution instead. James Watt started a rebellion against tasteless mass market beers by founding BrewDog, now one of the world's best-known and fastest growing craft breweries, famous for beers, bars, and crowdfunding. In this smart, funny book, he shares his story and explains how you too can tear up the rule book and start a company on your own terms. It's an anarchic, DIY guide to entrepreneurship--and a new manifesto for business. After spending seven years on the high

seas of the North Atlantic, James Watt started BrewDog craft brewery in Scotland with his best friend, Martin Dickie. They didn't have a business plan. All they had was a mission to revolutionize beer drinking and make other people as passionate about craft beer as they are. They've succeeded. Within a few years, BrewDog was huge--a world-famous craft brewery with beer bars around the globe and hundreds of thousands of fans. Those fans became literal backers of their business with the introduction of an unprecedented crowdfunding movement, Equity for Punks. And in rewriting the record books and kickstarting a revolution--James and BrewDog inadvertently forged a whole new approach to business. Business for Punks bottles the essence of James's methods in an accessible, honest manifesto. Among his mantras: · Cash is motherf\*cking king. Cash is the lifeblood of your company. Monitor every penny as if your life depends on it--because it does. · Get people to hate you. You won't win by trying to make everyone happy, so don't bother. Let haters fuel your fire while you focus on your hard-core fans. · Steal and bastardize from other fields. Take inspiration freely wherever you find it-- except from people in your own industry. · Job interviews suck. They never reveal if someone will be a good employee, only how good that person is at interviews. Instead, take them for a test drive and see if they're passionate and a good culture fit. Business for Punks rethinks conventional business wisdom so you can go beyond the norm. It's an anarchic, indispensable guide to thriving on your own terms.

#### **The Top 10 Distinctions Between Millionaires and the Middle Class** *Ballantine Books*

If you're ready to take the journey to wealth and personal fulfillment, here's your ticket. In this life-changing little book, entrepreneur and inspirational speaker Keith Cameron Smith shows you how to think like a millionaire and reap the benefits of a millionaire mindset. The key to moving beyond the middle class and up the economic ladder is mastering ten vital principles, including

- Millionaires think long-term. The middle class thinks short-term. Create a clear vision of the life you desire, and focus on it.
- Millionaires talk about ideas. The middle class talks about things and other people. Ask some positive "what if" questions every day, and bounce ideas off successful people who will be honest with you.
- Millionaires work for profits. The middle class works for wages. Take calculated risks and learn to take advantage of good opportunities. We all want to improve our financial position. In this inspirational and practical guide filled with savvy and sensible advice, Smith upgrades you from coach to first class. So follow these principles, transform your life, and realize your dreams!

Michelli breaks the approach down into five key elements: Serve a Perfect Fit—create bedrock company values Make it Effortlessly Swift—deliver a customer experience with ease Step into the Personal—connect with customers authentically S T R E T C H—grow people and products Play to Win—play hard, work harder When you enhance the customer experience, increase employee engagement, and create an energetic culture, you can’t help but succeed. Zappos has woven these five key components into a seamless strategy that’s the envy of business leaders. Now that strategy is yours. With *The Zappos Experience*, Joseph Michelli delivers a package for instant success right to your doorstep. All you have to do is open and use it.

**The Art of Fully Living: 1 Man. 10 Years. 100 Life Goals Around the World.** *Independently Published*

Master the art of fully living, one life goal at a time. Do you want to experience your one life--your whole life--to its fullest measure? In this stirring book, author, blogger and lifestyle entrepreneur, Tal Gur offers his own transformational journey as

an inspiring example and practical guide to implementing the art of fully living. You'll learn how to actualize your potential by forging all aspects of your life through the process built into your life goals. The very structure of this book models Tal's immersive approach to goal-driven living: each chapter of *The Art of Fully Living* is dedicated to a year of focus--socializing, fitness, freedom, contribution, love, adventure, wealth, relationship, spirituality, and creativity--and follows Tal's endeavors as he works toward fulfilling 100 life goals in only 10 years. This daunting ambition, springing from one late-night conversation among friends and a gnawing discontentment within the typical "success" story, becomes extremely relatable through Tal's bold storytelling; what's more, the deep lessons learned become immediately applicable for your own purposes as Tal thoughtfully extracts the actionable wisdom from his own experiences to articulate the principles and techniques of "the art of fully living." *The Art of Fully Living* takes you along the exhilarating ride of Tal's journey while illuminating your own possible life-goal trajectory: as Tal relates how he socialized nonstop in vibrant Melbourne to master English and trained intensively to complete Ironman New Zealand and practice ancient Thai martial arts, you'll learn how to apply immersion to achieve your own life goals; as Tal describes how he eliminated his crushing student debt in one year and attained financial and location independence, you'll learn how to simplify your life, recognize your own present wealth, and turn your passions into a living; and as Tal animates his experiences learning to surf and salsa, to drum in a troupe and compose electronic music, and to write this very book, you'll learn how to let your intuition be your guide,

reveal your authentic core, and achieve flow--among the myriad other adventures and take-aways that fill this book. Tal not only introduces the idea that the art of fully living is another skill to master but also guides you through honing this skill with chapter lessons and actionable key takeaways. Once you discover "the art of fully living," there is no going back; it will feel unacceptable to settle for less than your dreams--and what's more, you'll dream even more wildly, aspiring to action with greater clarity of purpose, broader horizons of possibility, and holistic vision across all areas of your life. This book is especially for you if you find yourself frustrated often, feeling low, or if you're struggling while asking yourself "What do I REALLY want?" You will discover how to leverage your strengths to achieve your dreams. You will know what it means to be truly free. You will be fulfilled by the path you have chosen to take from this point on. Can you imagine what the world would be like if everyone discovered and did what made them feel FULLY alive? Your dreams are your dreams for a reason; they are rooted in your deepest understanding of who you want and can become. It's up to you to follow though, to trust in your vision enough to persist until it becomes a reality, part of the world and part of who you are becoming. Your inspiration is meant to be, and you can make it so through the "art of fully living." **Fear Less****How to Win at Life Without Losing Yourself** *Random House*

'Pippa Grange has something to teach all of us when it comes to letting go of perfectionism and anxiety, and living with open hearts rather than clenched fists. *Fear Less* is a total game-changer.' Brené Brown If we were truly free from fear, what could we achieve? We strive for success, but we are rarely happy. The more we try to win - putting on a brave face for work or family - the more we risk losing ourselves. And even reaching our goals can feel strangely hollow. The culprit? Fear. It makes us anxious, or shameful, or turns us into perfectionists. We pretend to be someone else while aiming for a status that's never truly satisfying. There is another way. A way to find our true voice, to win on our own terms. Building that open mindset is at the heart of this mould-breaking book by Dr Pippa Grange, the psychologist who helped transform the England team, taking them all the way to the World Cup semi-finals in 2018. In *Fear Less*, Pippa Grange shows all of us how, by starting to live with less fear, we can find our real passions and deeper fulfilment. Her simple manifesto enables us to replace stress with courage, and connect with the people around us on a far deeper level. This type of success isn't about trophies or beating others, it's about winning at the very deepest level: winning from within. It's time to fear less.
