Judicial Decision Making Is Psychology

Abstract. This volume of essays examines the psychological processes that underlie judicial decision making. Chapters in the first section of the book take as their starting point the fact that judges make many of the same judgments and decisions that ordinary people make and consider how our knowledge about judgment and decision-making in general applies to the case of legal judges.

Psychology of Judicial Decision Making - Oxford Scholarship

This book examines decision making by appellate judges from a psychological viewpoint. The process of deciding a case, from the initial decision whether to grant certiorari to the final announcement of a decision, is analyzed using contemporary concepts from the field of psychology, especially social cognition theory.
