Many of them do not feature chords and are simply transcriptions of the dots that the player needs to read to execute a performance of the tune, solo or passage in question.

The purpose is to help and encourage bass players to LEARN TO READ MUSIC. Some of the charts are full transcriptions whilst some are just a bass solo or a solo by another instrument (trumpet, sax, trombone etc).

Transcriptions - Bilbo's Bass Bites

All of my transcriptions are in PDF form, originally done in Finale, and are

available only in notation. I don't use tab in my teaching or personally in my own playing, and I think notation is the most accurate representation. In general, I'm interested in producing transcriptions that are not available elsewhere, rather than repeating...
