1974 Corvette | Fiberglass Prep & Paint - YouTube

When doing a Corvette fiberglass body restoration there are a few things that need to be kept in mind. Corvettes are obviously made from fiberglass, and being thus, they act a lot different then metal bodies. When starting on a Corvette fiberglass body restoration, you will first need to strip the paint. If available it is best to put the body on a cart/dolly so all the debris from paint removal doesn't end up on the chassis.
