Further information on death and dying. Cruse provides help and information on Death and Dying as well as training and a National helpline. See Cruse Bereavement Care and resources for when someone dies on the Marie Curie website. Healthcare professionals should watch the Elizabeth Kubler-Ross Last interview on death and dying via YouTube.

Introduction to death and dying | The Open University ...

Complicated grief. A lasting form of acute grief with complicating features that impede the restructuring process necessary for integrated grief. The term "complicated" is used because grief is thought to be a natural healing process and, like the body's other healing processes, there can be complications that mean it is not completed as intended.
