Perfect You cemented, for me, the fact that Elizabeth Scott is without a doubt the next Sarah Dessen. In other words, a writer whose books CANNOT be missed because they are so utterly perfectly right. My first introduction to Elizabeth Scott came last May when I read and reviewed Bloom.

Perfect You by Elizabeth Scott - Goodreads

Perfect you is just a perfect book. I can't really put it much better than Melissa De La Cruz does on the front cover "I absolutely loved this book! It's funny, sad, and wise, and will make your heart ache in the best way." I think Elizabeth Scott

may be one of my new favourite authors. Kate's a very relatable narrator.
