Animal Farm was almost denied publication, and 1984 had to be finished in a terrible, desperate burst of energy on the part of a man who knew that he was dying. Probably nothing would have surprised their author more than the near-orthodox esteem in which his last two novels are now held: he never in his life expected to be "required reading" in respectable schools.

George Orwell - Animal Farm

George Orwell's *Animal Farm* is an example of a political satire that was intended to have a "wider application," according to Orwell himself, in terms of its relevance. Stylistically, the work shares many similarities with some of Orwell's other works, most notably *1984*, as both have been considered works of Swiftian Satire. [38]
