How does Saxon 5/4
differ from Saxon 1-3?
Saxon 5/4 is different
from Saxon 1-3 in
independence. The
student is learning
Saxon's process of
incremental
development and is in
essence, teaching
herself math. Yes, the
parent/teacher is still
close-by for advice and
instruction. But the
bulk of instruction is
coming straight from
the textbook.

Saxon Math 5/4 Prep - Simple. Home. Blessings

The Saxon Math 3
homeschool kit comes
with a spiral-bound

lesson book (132 lessons), two books of worksheets (roughly two drills and worksheet per lesson), written assessments, oral assessments, timed math-fact drill papers (addition, subtraction, multiplication mostly),

cardboard flashcards and paper-cut-out manipulatives, a daily "meeting book" (for exploring date/weather concepts, charting and graphing, number lines and skip counting tables), and grading sheets.
