With these suggestions, you can discover the ideal The Spirit Of The Disciplines book summaries for your rate of interests and preferences. Satisfied reading!

The Spirit of the Disciplines - Reissue

Understanding How God Changes Lives *Zondervan*

How to Live as Jesus Lived Dallas Willard, one of today's most brilliant Christian thinkers and author of The Divine Conspiracy (Christianity Today's 1999 Book of the Year), presents a way of

living that enables ordinary men and women to enjoy the fruit of the Christian life. He reveals how the key to self-transformation resides in the practice of the spiritual disciplines, and how their practice affirms human life to the fullest. The Spirit of the Disciplines is for everyone who strives to be a disciple of Jesus in thought and action as well as intention.

The Spirit of the Disciplines

Understanding how God Changes Lives *Harpercollins*

Suggests spiritual disciplines whose practice can reaffirm one's life and deepen one's daily relationship with God

Disciplines of the Spirit

The quiet radiance and certainty that illuminated Howard Thurman's faith shine like a beacon through every page of

'Disciplines of the Spirit'. Dr. Thurman explores five major dimensions of the spiritual life: commitment, growing in wisdom and stature, suffering, prayer, and reconciliation. (Back cover).

Spiritual Disciplines for the Christian Life *Tyndale House Publishers, Inc.*

Drawn from a rich heritage, *Spiritual Disciplines for the Christian Life* will guide you through a carefully selected array of disciplines. By illustrating why the disciplines are important, showing how each one will help you grow in godliness, and offering practical suggestions for cultivating them, *Spiritual Disciplines for the Christian Life* will provide you with a refreshing opportunity to become more like Christ and grow in character and maturity. Now updated and revised to equip a new generation of readers, this anniversary edition features in-depth discussions on each of the key disciplines.

Celebration of Discipline

The Path to Spiritual Growth *Zondervan*

In the twenty years since its publication, *Celebration of Discipline* has helped over a million seekers discover a richer spiritual life infused with joy, peace, and a deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian spirituality, *Celebration of Discipline* explores the "classic Disciplines," or central spiritual practices, of the Christian faith. Along the way,

Foster shows that it is only by and through these practices that the true path to spiritual growth can be found. Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life. The inward Disciplines of meditation, prayer, fasting, and study, offer avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us to make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities-and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and "sets us free to enjoy the provision of God as a gift that can be shared with others." The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ. *Celebration of Discipline* will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth.

Disciplines of the Holy Spirit

How to Connect to the Spirit's Power and Presence *Zondervan*

CONNECT WITH THE LIFE-CHANGING MINISTRY OF THE HOLY SPIRIT *Disciples of the Holy Spirit* shows how a dynamic, close

walk with God can be yours each day through the ministry of the Holy Spirit. As the energizer of your faith, the Spirit wants to bring you into a transforming communion with Christ. He wants to empower you to love your enemies, live without fear, and give generously out of an inner abundance. Your part? Simply yielding to him through the following spiritual disciplines: Solitude—helping you draw near to God for spiritual growth and vigor. Surrender—helping you surrender to God's will and purpose for your life, preparing you for effective ministry. Service—helping you move into fellowship with others and partnership with God in reaching a broken world. As you practice the spiritual disciplines, your concept of what it means to be a Christian will acquire a new, life-changing dimension. You'll grow closer to Jesus—and your life will increasingly reflect the power and presence of the Holy Spirit. "Dr. Tan always has something worthwhile to say. His passion for people, life, and God, combined with his extensive professional knowledge make this book an important read."—Larry Crabb Jr., Ph.D., counselor and best-selling author "A passionate, fresh guide for how Christians can grow in Christ through the traditional spiritual disciplines. Believers of differing theological backgrounds will find encouragement and wisdom."—Stanton L. Jones, Ph.D., author of the God's Design for Sex book series Dr. Siang-Yang Tan is senior pastor of First Evangelical Church in Glendale, California. He is also associate professor of psychology at Fuller Theological Seminary, a licensed psychologist, and the author of Lay Counseling: Equipping Christians for a Helping Ministry. He lives in Arcadia, California. Dr. Douglas Gregg is former director of the Office of Christian Community at Fuller Theological Seminary and a training

specialist with InterVarsity Christian Fellowship. He is the coauthor of Inner Healing: A Handbook for Helping Yourself & Others and lives in Los Angeles.

A Year with God

Living Out the Spiritual Disciplines *Zondervan*

Many people are longing to find the footprint of God in their daily lives. This beautiful daily companion is comprised of 365 selections of scripture, commentary, meditations, and daily exercises to help readers see how they can bring their entire life into a life with Immanuel - a God who is with his people. In Richard Foster's best-selling book, Celebration of Discipline, he explored the "classic disciplines," or central spiritual practices of the Christian faith. Foster showed that it is only by and through these practices that the true path to spiritual growth can be found. In A Year with God, the spiritual disciplines are presented in such a way that does not destroy the soul but enables the reader to enter into a transforming life with God. Through daily spiritual exercises and meditations, A Year with God explores eighteen spiritual disciplines. The inward disciplines of meditation, prayer, fasting, and study offer avenues of personal examination and change. The outward disciplines of simplicity, solitude, submission, and service help prepare one to make the world a better place. The corporate disciplines of confession, worship, guidance, and celebration bring one nearer to others and to God. Each discipline will be given twenty days of readings, beginning with scripture and followed by commentary, a meditation, and a spiritual exercise. Practicing these spiritual

disciplines will help readers live intentionally, contributing to a more balanced spiritual life and a reformation of the inner self.

Habits of Grace

Enjoying Jesus through the Spiritual Disciplines *Crossway*

The Christian life is built on three seemingly unremarkable practices: reading the Bible, prayer, and fellowship with other believers. However, according to David Mathis, such “habits of grace” are the God-designed channels through which his glorious grace flows—making them life-giving practices for all Christians. Whether it’s hearing God’s voice (the Word), having his ear (prayer), or participating in his body (fellowship), such spiritual rhythms of the Christian life have the power to awaken our souls to God’s glory and stir our hearts for lifelong service in his name. What’s more, these seemingly simple practices grant us access to a host of spiritual blessings that we can only begin to imagine this side of eternity—and the incredible joy that such blessings bring to God’s children today.

The Workbook on Spiritual Disciplines *Upper Room Books*

The Workbook on Spiritual Disciplines is a six-week study on spiritual disciplines for the enhancement of the devotional life. It is designed to be used by small groups, especially in the local church setting. Maxie Dunnam believes that discipline is required for the Christian life. But discipline is not to be seen as a religious practice that has merit within itself; it is a means to an end. The end toward which the discipline takes us is to grow spiritually, to mature in our Christian faith and life, to be alive in Christ.

Spiritual Disciplines Handbook

Practices That Transform Us *InterVarsity Press*

Adele Calhoun's Spiritual Disciplines Handbook has become a standard for those who want to expand their knowledge of spiritual practices. Now this beloved resource has been revised throughout and expanded to include thirteen new disciplines along with a new preface by the author, giving us practical guidance in our continuing journey toward intimacy with Christ.

The Life You've Always Wanted

Spiritual Disciplines for Ordinary People *Zondervan*

Ignite a deeper, more vibrant relationship with God that impacts not just your spiritual life but every aspect of your daily life. John Ortberg calls readers back to the dynamic heartbeat of Christianity--God's power to bring change and growth--and reveals how and why transformation takes place. The Life You've Always Wanted offers modern perspectives on the ancient path of the spiritual disciplines. But it is more than just a book about things to do to be a good Christian. It's a road map toward true transformation that starts not with the individual but with the person at the journey's end--Jesus Christ. As with a marathon runner, the secret to finishing a race lies not in trying harder, but in training consistently--training with the spiritual disciplines. The disciplines are neither taskmasters nor ends in themselves. Rather they are exercises that build strength and endurance for the road of growth. The fruit of the Spirit--joy, peace, kindness, etc.--are the signposts along the way. Paved with humor and

sparkling anecdotes, *The Life You've Always Wanted* is an encouraging and challenging approach to a Christian life that's worth living--a life on the edge that fills an ordinary world with new meaning, hope, change, and joy.

Knowing Christ Today

Why We Can Trust Spiritual Knowledge *Zondervan*

At a time when popular atheism books are talking about the irrationality of believing in God, Willard makes a rigorous intellectual case for why it makes sense to believe in God and in Jesus, the Son.

Practices of Love

Spiritual Disciplines for the Life of the World *Brazos Press*

Spiritual disciplines are often viewed primarily as a means to draw us closer to God. While these practices do deepen and enrich our "vertical" relationship with God, Kyle David Bennett argues that they were originally designed to positively impact our "horizontal" relationships--with neighbors, strangers, enemies, friends, family, animals, and even the earth. Bennett explains that this "horizontal" dimension has often been overlooked or forgotten in contemporary discussions of the spiritual disciplines. This book offers an alternative way of understanding the classic spiritual disciplines that makes them relevant, doable, and meaningful for everyday Christians. Bennett shows how the disciplines are remedial practices that correct the malformed ways we do everyday things, such as think, eat, talk, own, work,

and rest. Through personal anecdotes, engagement with Scripture, and vivid cultural references, he invites us to practice the spiritual disciplines wholesale and shows how changing the way we do basic human activities can bring healing, renewal, and transformation to our day-to-day lives and the world around us.

Spiritual Classics

Selected Readings on the Twelve Spiritual Disciplines *Harper Collins*

The Brightest Lights of the Christian Tradition St. Augustine, Thomas Merton, Fredrick Buechner, Evelyn Underhill, A.W. Tozer, G.K. Chesterton, Thomas More, Martin Luther King, Jr., Amy Carmichael, Simone Weil, Pierre Teilhard de Chardin, Hildegard of Bingen, John Milton, Dorothy Day, Leo Tolstoy, Gerard Manley Hopkins, and more. . . From nearly two thousand years of Christian writing comes *Spiritual Classics*, fifty-two selections complete with a profile of each author, guided meditations for group and individual use, and reflections containing questions and exercises. Editors Richard Foster and Emilie Griffith offer their expertise by selecting inspirational writings and including their own commentary and recommendations for further guided reading and exploration.

Conformed to His Image

Biblical and Practical Approaches to Spiritual Formation *Zondervan Academic*

What does a relationship with God look like and how do we obtain

it? It is vital for church leaders to grapple seriously with this question, for pat answers no longer suffice. Lives well-lived, not just words eloquently spoken, must become our response. The quality of our relationship with God is what will influence the health, potency, and witness of the church in an increasingly complex and hostile world. Designed for use as a college or seminary course, *Conformed to His Image* helps us build our lives on a fully biblical perspective. Exploring twelve approaches to Christian spirituality in depth, Dr. Kenneth Boa corrects our tendency to pick and compartmentalize. Pointing the way instead to an integrative, whole-life approach, Dr. Boa shows how each spiritual paradigm discussed is just one important facet in the gem of authentic and powerful New Testament living. With chapter overviews and objectives, questions for personal application, a glossary, and a list of key terms, *Conformed to His Image* will prove a defining text for the student, pastor, and church leader of today . . . and tomorrow.

12 Facets of the Complete Christian Life

Relational Spirituality: Loving God Completely, Ourselves Correctly, and Others Compassionately

Spirit-Filled Spirituality: Walking in the Power of the Spirit

Warfare Spirituality: The World, the Flesh, and the Devil

Nurturing Spirituality: A Lifestyle of Discipleship and Evangelism

Corporate

Spirituality: Encouragement, Accountability, and Worship

Habits for Our Holiness

How the Spiritual Disciplines Grow Us Up, Draw Us Together, and Send Us Out *Moody Publishers*

Not your typical spiritual disciplines book. Most books on the spiritual disciplines follow the same pattern: introduce the discipline, prove it from Scripture, and give tips for how to do it. *Habits for our Holiness* does more than that: It connects the disciplines to all of life. By showing how the disciplines have their greatest power when practiced in community and on mission, Philip Nation gives Christians a bigger reason—and greater desire—to pursue spiritual disciplines. He also warns us of what happens when we neglect them. With plenty of examples, stories, and illustrations, *Habits for our Holiness* will inspire you to nourish your life with discipline, enjoy the fruit of godliness, and have a hand in building the church.

A Man's Guide to the Spiritual Disciplines

12 Habits to Strengthen Your Walk With Christ *Moody Publishers*

Spiritual disciplines are to the believer what medical school is to the doctor. A man came up to me at a conference where I was speaking and said, “Pat, do me a favor. Tell me how to be good. I already know how bad I am.” That statement captures the intent of this book – and the purpose of the spiritual disciplines. Spiritual strength, like surgical skill or athletic excellence, requires training

and practice. To become the kind of man who walks with God and wields Christ's influence in your world, you'll want to begin a consistent regimen of spiritual exercises. In *A Man's Guide to the Spiritual Disciplines*, Patrick Morley highlights twelve habits that will strengthen your walk with Christ, including: -- Experiencing God in creation -- Letting the Bible change your life -- Learning the power of prayer -- Grasping God's greatness through worship -- Gaining strength through Sabbath -- Thriving because of fellowship -- Succeeding through wise counsel -- And more . . . By presenting each discipline with a concise overview, several examples, and application ideas to get you going, this powerful guidebook will help you develop the maturity every man of God was designed to reflect.

Spiritual Transformation

Taking on the Character of Christ *Wipf and Stock Publishers*

Transformation is what Christianity is all about. To follow Jesus is to enter into a journey from an old way of living to a new way of being. As Christians our goal is to become ever more conformed to the image of Christ. Of course we cannot attain this high goal in our lifetime. But we can make progress. We can become more of who we long to be. We can leave behind old ways that have not served us well. We can become more loving to others, more open to God, more in tune with who we are called to be. Such transformation does not happen automatically, even though it is the Holy Spirit working in us to change us. We are asked "to work out your own salvation with fear and trembling; for it is God who is at work in you, enabling you both to will and to work for his

good pleasure" (Phil 2:12-13). We work; God works in us. This book is about our part in the work of transformation. *Spiritual Transformation* examines two main themes. 1) The Dynamics of Spiritual Transformation are explored in six small group sessions: what it is and how it happens. 2) The Goal of Spiritual Transformation is described in six small group Bible studies focusing on Romans 12 & 13, where Paul provides a blueprint for how we are meant to live as followers of Jesus.

Spiritual Disciplines for Children

A Guide to a Deeper Spiritual Life for You and Your Children

Much has been written for adults about their spiritual formation and about the practice of classic spiritual disciplines. Very little has been written for adults who work with children on how to guide children in practices that form their spirit toward Christlikeness. *Spiritual Disciplines for Children* offers readers the tools they need personally-and the tools they need practically-to guide children in Christian spiritual formation using twelve spiritual disciplines. Concrete activities for readers to do with their children are provide at the end of every chapter. Reproducible pages are also included at the end of some chapters. These activities offer children enjoyable and meaningful experiences. Guided conversation ideas are a part of each activity to help adults build relationships and understanding and communicate on a child's level. The subject matter is serious, inspirational, and practical. It is intended to inspire and equip adult Christian readers to begin the practice of spiritual

disciplines with intentionality and commitment in their lives and in their children's lives. The challenge is given to continue in these practices until, in both adult and child, they become lifelong patterns and habits. These patterns and habits allow the Holy Spirit to form their spirit and character toward Christlikeness and a closer, more intimate relationship with God.

Ragged

Spiritual Disciplines for the Spiritually Exhausted 1517 Publishing

You've tried it all before. You've done the Bible reading plans until you reached the book of Numbers. You have prayer journals that are half full. You hunger for a deep, meaningful spiritual life, but are so weary of your own personal inconsistencies and life interruptions that it almost feels hypocritical to try again. It often feels like spiritual disciplines are for the privileged few theologians who contemplate God's word while sitting in their studies. But God doesn't ask for your performance in exchange for his love. It's time to release the feeling of failure from your spiritual life and redeem the promised peace in the midst of a life full of exhaustion and interruptions. It's time to recognize it's all about dependence on God. *Ragged* will give you a paradigm shifting approach to daily devotions. God intends to grow us in his love through all of life's disruptions. Using scripture, you'll see how your relationship with God-from start to finish-is not dependent on your works but on the works of Christ.

Spiritual Disciplines for the Christian Life Study Guide

Tyndale House

This updated companion guide to *Spiritual Disciplines for the Christian Life* (see description below) takes you through a carefully selected array of disciplines that will help you grow in godliness. Ideal for personal or small-group use. Drawn from a rich heritage, *Spiritual Disciplines for the Christian Life* will guide you through a carefully selected array of disciplines. By illustrating why the disciplines are important, showing how each one will help you grow in godliness, and offering practical suggestions for cultivating them, *Spiritual Disciplines for the Christian Life* will provide you with a refreshing opportunity to become more like Christ and grow in character and maturity. Now updated and revised to equip a new generation of readers, this anniversary edition features in-depth discussions on each of the key disciplines.

Spiritual Disciplines

Essential Practices of the Christian Life

Spiritual Mentoring

A Guide for Seeking Giving Direction *InterVarsity Press*

Drawing on the writings of Augustine, John of the Cross, Teresa of Avila and others, Keith R. Anderson and Randy D. Reese show that the age-old practice of Christian mentoring is meant to facilitate our growth throughout life. They provide motivation, principles and plans for starting and continuing mentoring relationships.

Eternal Living

Reflections on Dallas Willard's Teaching on Faith and Formation *InterVarsity Press*

Curated by Dallas Willard's long-time colleague and friend Gary Moon, this medley of images, snapshots and "Dallas-isms" moves readers toward deeper experiences of God. Whether influenced by him as a family member, friend, professor, philosopher or reformer, contributors bring refreshing insight into his ideas, what shaped him and also his contagious theology of grace and joy.

The Making of an Ordinary Saint

My journey from frustration to joy with the spiritual disciplines *Monarch Books*

Nathan takes readers inside his spiritual excursions as he experiments with the practices his father described some thirty years ago, and explores the disciplines which his father has given his life to teaching and modelling. Nathan tries them on, lives in them for a while, pushes through in order to learn what to keep, and what to work at. By inviting readers to accompany him on this journey of developing holy habits in the midst of everyday life — spouse, children, day job, deadline pressures, the interruptions — Nathan's intention is not to give a "dumbed down" version of his dad's work but rather to provide an interactive exploration of the challenges, joys, successes, and failures of an honest person moving with intentionality toward God. This volume helps the reader discover the freedom, pain, fun, and humour of learning to move away from our selfishness,

laugh at our failures, and fall in love with a beautiful God.

Life with God

Reading the Bible for Spiritual Transformation *Zondervan*

Too often, our study of the Bible focuses on searching for specific information or some formula that will solve our pressing needs of the moment. But what if we approached the Bible differently, and instead of transforming the text to meet our needs, allowed it to transform us? That's exactly the idea behind *Life with God*, Richard J. Foster's much-anticipated book on the Bible. Foster, bestselling author of *Celebration of Discipline* and general editor of *The RenovarÉ Spiritual Formation Bible*, claims that God has superintended the writing of Scripture so that it serves as the most reliable guide for Christian spiritual formation. According to Foster, the Bible is all about human life "with God." As we read Scripture, we should consider how exactly God is with us in each story and allow ourselves to be spiritually transformed. By opening our whole selves—mind, body, spirit, thoughts, behavior, and will—to the page before us, we begin to grasp all the Bible has to teach about prayer, obedience, compassion, virtue, and grace and apply it to our everyday lives to achieve a deeper relationship with God. With a wealth of examples and simple yet crucial insights, *Life with God* is an indispensable guide to approaching the Bible through the lens of Christian spiritual formation, revealing that reading the Bible for interior transformation is a far different endeavor than reading the Bible for historical knowledge, literary appreciation, or religious instruction.

Jesus and the Disinherited *Beacon Press*

Famously known as the text that Martin Luther King Jr. sought inspiration from in the days leading up to the Montgomery bus boycott, Howard Thurman's *Jesus and the Disinherited* helped shape the civil rights movement and changed our nation's history forever. In this classic theological treatise, the acclaimed theologian and religious leader Howard Thurman (1900-1981) demonstrates how the gospel may be read as a manual of resistance for the poor and disenfranchised. Jesus is a partner in the pain of the oppressed and the example of His life offers a solution to ending the descent into moral nihilism. Hatred does not empower--it decays. Only through self-love and love of one another can God's justice prevail.

Harvey Sacks**Social Science and Conversation Analysis** *Oxford University Press on Demand*

Although he published relatively little in his lifetime, Harvey Sacks's lectures and papers were influential in sociology and sociolinguistics and played a major role in the development of ethnomethodology and conversation analysis. The recent publication of Sacks's "Lectures on Conversation" has provided an opportunity for a wide-ranging reassessment of his contribution.

The Renovare Spiritual Formation Bible *HarperOne*
New revised standard edition**Black Newspapers and America's War for Democracy, 1914-1920** *Univ of North Carolina Press*

During World War I, the publishers of America's crusading black newspapers faced a difficult dilemma. Would it be better to advance the interests of African Americans by affirming their patriotism and offering support of President Wilson's war for democracy in Europe, or should they demand that the government take concrete steps to stop the lynching, segregation, and disfranchisement of blacks at home as a condition of their participation in the war? This study of their efforts to resolve that dilemma offers important insights into the nature of black protest, race relations, and the role of the press in a republican system. William Jordan shows that before, during, and after the war, the black press engaged in a delicate and dangerous dance with the federal government and white America--at times making demands or holding firm, sometimes pledging loyalty, occasionally giving in. But although others have argued that the black press compromised too much, Jordan demonstrates that, given the circumstances, its strategic combination of protest and accommodation was remarkably effective. While resisting persistent threats of censorship, the black press consistently worked at educating America about the need for racial justice.

Timeshift**On Video Culture** *Routledge*

Focusing on the aesthetics of video, *Timeshift* tests current semiotic, postmodernist and psychoanalytic approaches in the

laboratory of real-life video viewing.

Prayer - 10th Anniversary Edition

Finding the Heart's True Home *Harper Collins*

Best-selling author Richard J. Foster offers a warm, compelling, and sensitive primer on prayer, helping us to understand, experience, and practice it in its many forms—from the simple prayer of beginning again to unceasing prayer. He clarifies the prayer process, answers common misconceptions, and shows the way into prayers of contemplation, healing, blessing, forgiveness, and rest. Coming to prayer is like coming home, Foster says. "Nothing feels more right, more like what we are created to be and to do. Yet at the same time we are confronted with great mysteries. Who hasn't struggled with the puzzle of unanswered prayer? Who hasn't wondered how a finite person can commune with the infinite Creator of the universe? Who hasn't questioned whether prayer isn't merely psychological manipulation after all? We do our best, of course, to answer these knotty questions but when all is said and done, there is a sense in which these mysteries remain unanswered and unanswerable . . . At such times we must learn to become comfortable with the mystery." Foster shows how prayer can move us inward into personal transformation, upward toward intimacy with God, and outward to minister to others. He leads us beyond questions to a deeper understanding and practice of prayer, bringing us closer to God, to ourselves, and to our community.

Watchfulness

Recovering a Lost Spiritual Discipline

"Explains the spiritual discipline of keeping watch over one's heart and how Christians can practice it today"--

Family Worship *Crossway*

Gathering together for worship is an indispensable part of your family's spiritual life. It is a means for God to reveal himself to you and your loved ones in a powerful way. This practical guide by Donald S. Whitney will prove invaluable to families—with or without children in the home—as they practice God-glorifying, Christ-exalting worship through Bible reading, prayer, and singing. Includes a discussion guide in the back for small groups.

Spiritual Disciplines within the Church

Participating Fully in the Body of Christ *Moody Publishers*

'You're worth it.' 'You deserve a break today.' 'Do something nice for yourself.' Commonly heard phrases in this society committed to self-gratification and individual rights. Doing things for other people is a waste of precious time, and asking for help, weak. So how do we build the church described in the Scriptures? In this day and age, how can we be a genuine community based on self-sacrifice and mutual commitment? In *Spiritual Disciplines Within the Church*, seminary professor, author, and former pastor Don Whitney shows us how to build a sense of community and be active participants instead of passive attendees. Whitney looks at such frequently asked questions as: Why can't I get by on my own? Why should I go to church? Why should I give of myself to the church? Why do I need to worship in church? Couldn't I just

worship in nature? Why does it matter whether I become a member of the church? Committed love must mark the local expression of the body of Christ. By putting spiritual disciplines into practice in the church, congregations can return to the depth of community present in the New Testament church, where they 'devoted themselves to the apostles' teaching and to the fellowship, to the breaking of bread and to prayer.'

New Believer's Series 24v Set

Desiring God

Meditations of a Christian Hedonist *Multnomah*

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical

truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

French Rural History (Routledge Revivals)

An Essay on its Basic Characteristics *Routledge*

First published in Britain in 1966, French Rural History is a study initially given as lectures in Oslo in 1929. It focuses on the fundamental problems of French agrarian history and places them in true perspective. Throughout the work, Marc Bloch analyses the issues in all their complexity and treats them practically, as would a man who was both a historian and a farmer. The work has been celebrated as a work of historical sociology, full of personality and unmistakable insight.
