Captains Courageous *Bantam Classics*

The only one of Kipling's novels to be cast in an American setting, Captains Courageous endures as one of literature's most cherished and memorable sea adventures. Harvey Cheyne, spoiled millionaire's son, tumbles overboard from a luxury liner--only to be rescued by the crew of a Gloucester schooner. Thus begins the boy's second voyage into the rugged rites and ways of sailors. Like all Kipling's masterworks, Captains Courageous is an interweaving of art and moral purpose. Angus Wilson has said that it shows "delicacy of craft and violence of feeling, exactitude and wile impressionism, subtlety and true innocence." A popular favorite since its first publication in 1897, the novel remains a classic story of youthful initiation--and a lively tribute to the author's famous code of bravery, loyalty, and honor among men.

Raising Real Men *Great Waters Press*
Families with boys often find the world reacts to them in mock horror. Even though parents love their sons, privately they admit that boys can be a handful to raise--they are boisterous, competitive, reckless, distractable. The challenge of wills between parent and son starts early, and the quest to civilize young bulls may seem hopeless some days. Yet believers know that God has given them children as a gift of heaven, specially chosen for their particular families and marked as a blessing. If that's so, why does it seem so hard? How can we prepare these boys to serve God when it's all we can do to make it through another day? Isn't there a better way? Raising Real Men: Surviving, Teaching and Appreciating Boys shows the answer is emphatically yes. Written by the parents of six boys, Raising Real Men provides hope and encouragement to families with sons. Starting from the premise that God made boys to become men, Hal and Melanie Young offer Biblical principles and tested, practical ideas for training the manly virtues that can drive parents and teachers up the wall. This is a practical guide to equipping the hearts and minds of boys without breaking or losing your own. "...earthy, realistic, humorous, and scriptural ..." -- Douglas Wilson, author, Future Men "This is just what the doctor ordered for parents who want to raise capable Christian men of character." -- John Rosemond, author, Parenting By The Book

If Penguin
A New York Times Notable Book of 2019 A unique exploration of the life and work of Rudyard Kipling in Gilded Age America, from a celebrated scholar of American literature At the turn of the twentieth century, Rudyard Kipling towered over not just English literature but the entire literary world. At the height of his fame in 1907, he was awarded the Nobel Prize for Literature, becoming its youngest winner. His influence on major figures—including Freud and William James—was pervasive and profound. But in recent decades Kipling’s reputation has suffered a strange eclipse. Though his body of work still looms large, and his monumental poem “If—” is quoted and referenced by politicians, athletes, and ordinary readers alike, his unabashed imperialist views have come under increased scrutiny. In If, scholar Christopher Benfey brings this fascinating and complex writer to life and, for the first time, gives full attention to Kipling's intense engagement with the United States—a rarely discussed but critical piece of evidence in our understanding of this man and his enduring legacy. Benfey traces the writer’s deep involvement with America over one crucial decade, from 1889 to 1899, when he lived for four years in Brattleboro, Vermont, and sought deliberately to turn himself into a specifically American writer. It was his most prodigious and creative period, as well as his happiest, during which he wrote The Jungle Book and Captains Courageous. Had a family dispute not forced his departure, Kipling almost certainly would have stayed. Leaving was the hardest thing he ever had to do, Kipling said. “There are only two places in the world where I want to live,” he lamented, “Bombay and Brattleboro. And I can’t live in either.” In this fresh examination of Kipling, Benfey hangs a provocative “what if” over Kipling’s American years and maps the imprint Kipling left on his adopted country as well as the imprint the country left on him. If proves there is relevance and magnificence to be found in Kipling’s work.

Captains Courageous
Captain Courageous, by Rudyard Kipling, is the story of a 15-year-old boy named Harvey Cheyne Jr., the spoiled son of a wealthy railroad tycoon. He is on an ocean liner bound for Europe when he falls overboard and is rescued by a group of cod fisherman off the coast of Newfoundland. Harvey tries to get the fisherman to take him back to port, but they refuse to do it. He also tells them that he is wealthy and his father will pay for the trip back, but the fisherman don't believe him. When Harvey

accuses the captain, Disko Troop, of taking his money, the captain is angry and punches him, but then makes Harvey join the crew and work as a fisherman for the remainder of their trip. Under the tutelage of a rough and tough crew of fisherman, and with the assistance of Dan, the captain's son, Harvey doffs his "spoiled little rich boy" attitude and learns some manners and the value of hard work. He learns to be a good fisherman and to respect the crew. He also appreciates that they value him for his dedication and contribution to the crew and not for his money. When the fishing schooner returns to port, Harvey wires his parents, and they retrieve their son in Gloucester, Massachusetts, where the schooner arrived in port. Harvey's parents reward the fisherman who saved her son from the water, they offer Dan a job as the officer of a railroad fleet, and they send their son to Stanford where he will learn what he needs to know to take over his father's railroad fleet.

The Jungle Book *CreateSpace*

The Jungle Book (1894) is a collection of stories by British Nobel laureate Rudyard Kipling. The Jungle Book stories were first published in magazines in 1893–94. The original publications contain illustrations, some by Rudyard's father, John Lockwood Kipling. Kipling was born in India and spent the first six years of his childhood there. After about ten years in England, he went back to India and worked there for about six-and-a-half years. The Jungle Book stories were written when Kipling lived in Vermont.The tales in the book (and also those in The Second Jungle Book which followed in 1895, and which includes five further stories about Mowgli) are fables, using animals in an anthropomorphic manner to give moral lessons.

"When captains courageous, whom death could not daunt".Young Harvey Cheyne is rich, spoiled, prejudiced, and totally lacking in the real experiences of life. When the fifteen-year-old is accidentally washed overboard a great ocean liner headed for Europe, he is picked up by a fisherman and brought aboard the fishing schooner We're Here. Harvey's stories of privilege and wealth mean nothing aboard this hard-working vessel, and the boy receives many lessons in self-reliance, values, and hard-bitten reality-"things every man must know, blind, drunk, or asleep."
