“Using TriCaster, and other NewTek products has been such a joy for us. Everything comes naturally using the TriCaster. As someone who comes from a background involving camera operating, and editing, more than live broadcasting, it has been extremely easy for me to pick up and pass that knowledge onto our students,”

If a connected NDI video source supports recording and remote control (as, for example, NewTek’s NC1 Studio Input/Output Module does), NewTek NDI Studio Monitor displays a red record icon in the lower left corner. Clicking this icon instructs the source device to initiate recording, and shows a timecode display to indicate the duration of the current recording.
