My first use of a sewing machine in school was a husqvarna machine, I remembered how quiet the machine ran, and how I loved home economics When I saw it at this price, I jumped at it. This machine is so quiet compared to my previous unnamed machine. It was easy to use and the manual was easy to follow if you were a beginner.

Unplug the sewing machine from the wall outlet and place it on a table or countertop in a well-lighted area. Remove the top cover. For flatbed Viking models, gently tilt the sewing machine back as far as it will go and let it rest on a wall or table while the base remains anchored in the cabinet or carrying case.
