More than thirty years after

those storied events, the village is a quiet place. Fourteen-year-old Ben loves to play "Sleepy Hollow boys," reenacting the events Brom once lived through. But then Ben and a friend stumble across the headless body of a child in the woods near the village, and the discovery makes Ben question everything the adults in Sleepy Hollow have ever said. Could the Horseman be real after all? Or does something even more sinister stalk the woods?
