assessment and high-stakes testing for English language learners, and the appropriateness and feasibility of using alternative assessment measures in high-stakes testing programs. Recommendations are proposed for making future studies on alternative assessment more

Using Alternative Assessment with ELLs

Providing ESL students with a different way to demonstrate knowledge and skills (i.e. alternative assessment) is often the only sensible choice for those with low English proficiency. Having them do the same assessment as the native speakers in the class can be a demoralising experience - particularly if they understand the content but do not yet have the English to articulate this understanding.
