lets review biology - mungano.don-simmonds.co.uk

It is a regents review book so there isn't much to say. I purchased this for my son who is taking the NYS Living Environment exam this year. He seems to spend more time using the review sites on his laptop rather than what is in this book. I guess that is a sign of the times. I looked over the book and it does have great sections that briefly explain the material covered on the exam. There are ...
