eligible orders.

Games of Strategy: Amazon.co.uk: Dixit, Avinash K., Reiley ...

Avinash Dixit's Art of Strategy is an informative book and a little boring. It's informative because it

provides you with some basic principles for how to reason properly in situations where you have to coordinate or compete with other people, your self, or a company or something equally abstract; 'game theory' is just a fancy name for principled strategic interaction.
