Create Your Own Religion *Red Wheel Weiser*

"One of the most refreshing, humorous, and radically honest books about practical and comparative religion this reviewer has ever come across."—Library Journal (starred review) Create Your Own Religion is a call to arms—an open invitation to question all the values, beliefs, and worldviews that humanity has so far held as sacred in order to find the answers we need to the very practical problems facing us. Writer, philosopher, and professor of comparative religion, Daniele Bolelli, leads the reader through three thousand years of mythology, misogyny, misinformation, and the flat-out lies about "revealed truth" that continue to muddle our ability to live a peaceful life, free of guilt and shame and the ultimate fear of death. "Our worldviews are in desperate need of some housecleaning," says Bolelli. "We enter the 21st century still carrying on our backs the prejudices and ways of thinking of countless past generations. What worked for them may or may not still be of use, so it is our job to make sure to save the tools that can help us and let go of the dead weight." "With a cheerful, good-natured smile, Daniele Bolelli torpedoed the often luxurious but spiritually leaky battleships that sail under the various flags of the world's organized religions."—Tom Robbins, New York Times bestselling author "Daniele Bolelli is in the house. Minds will be blown. Lives will be changed."—Joe Rogan, comedian and podcast host "Bolelli's direct confrontation with dogma without giving an inch and without prescribing a new dogma is about as fresh as it gets."—Mike Vallely, skateboarder, musician, and actor

Create Your Own Fate *AuthorHouse*

Nothing is "Beyond Belief" Imagination is the key to creating a new reality! Whatever you can imagine, you can implement. Whatever you believe to be actually creates the world you see. Life doesn't just happen to you. It responds to you and the thoughts that you are creating on a continuing basis. Although thoughts are not tangible, they are programmable and powerful. Thoughts can transform the abstract into the absolute. This book is about creative visualization or

wishcraft which is a way of thinking that can change your life. The principles proposed in this book can propel you from poverty to prosperity and jumpstart your JOY as you learn how to transform your thoughts into reality. The process starts with a dream, a desire, or even just a wish. Wishes come in all sizes. One can wish small or one can wish big or tall. One can even choose not to wish at all, but wishing is really the key to creating a new reality. Everything that you can conceive of already exists or you couldn't even conceive of it. Creative visualization simply makes the invisible visible! Your beliefs are the key to making the invisible materialize. Predicting the future actually becomes possible once you realize that you can create your own future by propelling your dreams into reality. The world can be yours to have and to hold once you take control of your own destiny. That doesn't mean that you can control the events that will happen in your life, but you can control how you envision those events. Those visualizations can either empower you to excel or cripple you in crisis. If you want your life to change, try doing something strange. If you want your life to be different, do different, think different. Sometimes all that you need to change is your mind and your beliefs! Stop setting limits on your life! Become part of the cycle of life which is to Dream, desire, create and inspire.....

Creating Your Own Japanese Garden *Japan Publications Trading*

The strong horizontals of bamboo reflected in a dark circle of water; the rhythmic clap of the deer scarer; the contemplative beauty of waves created in sand: combinations of nature and art that soothe and uplift the spirit. Your vision of a Japanese garden need not be confined to Japan. Here is a fully comprehensive guide which will enable you to capture in your home or office environment the elusive spirit of the Japanese garden—no matter where you live. The author, a Japanese landscape architect who has been living and designing Japanese gardens in the West for many years, will show you step by step how to accomplish this ideal utilizing your own special environment and using materials which are readily available in the West. Since moving to the UK in 1974, the author has designed and created many Japanese gardens, from small private gardens to large public spaces of over two acres. It is from this direct experience that he draws the material for this book. The step-by-step instructions are easy-to-follow, and also included are many drawings and photographs to

illustrate the points that are made. Many books on Japanese gardens can be found in bookstores and libraries, but most do not take into account the different environments found outside Japan nor the diverse materials available worldwide. They tend either to be translations of books written by Japanese landscape architects and gardeners living and working in Japan, or books written by those who visit Japan to research the gardens, with the intention of introducing them to the rest of the world... These books are ideal for learning about the history and appearance of Japanese gardens, but lack the practical advice necessary for constructing your own garden.. I believe that as the interest in and understanding of Japanese culture continues to spread, so will the popularity of and desire for Japanese gardens. I hope that this book will give pleasure to all those of you who, like me, are captivated by the gardens of Japan, and that it will help you to create a garden of your own that you can enjoy day after day.

Create Your Own Online Store in a Weekend *Chronicle Books*

The advantages of selling your products online are many—low overhead, global markets, twenty-four-hour shopping—but perhaps most important is the level playing field offered by the internet. With a distinctive product and professional-looking website, you stand as much of a chance at success as anyone, even if others have more money to invest. In *Create Your Own Online Store in a Weekend*, Alannah Moore guides entrepreneurs through the process of setting up an online business and creating a website that fits both their products and their budget. This accessible primer provides detailed information on how to set up and provide content for your site as well as the right storefront and payment solutions. Moore addresses all aspects of running an online business, including marketing, order management, and boosting sales. Whether you are selling goods, services, or downloadable files, this guide will help you find the e-commerce solution that's right for you.
