Seventh chords are the most common extension of the basic 3-note triad you come across.. A seventh chord is built by adding an extra note to a triad which is an interval of a 7th above the root note. e.g. If you build a triad on C you will use the notes (C-E-G). If you add a another note a 7th above C then you will have C-E-G-B.

When writing an essay, it is important to choose a topic that is not too broad. For

example, do not write about football. Choose something more specific, like football drills, the greatest football team, football equipment, football practice, etc. It is important that you can think of three main ideas that you want to discuss in the essay.
