School Daze

One Teacher's Perspective on the Public Education System

Tate Publishing

Warning! 'But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea.' Matthew 8:6 (KJV)

Take heed, all of you

unbelieving miscreants in the public school system bent on programming kids for the deceitful New World Order. That warning is from the King of kings! School Daze is written with a satirical bite and is tempered with comic relief. Its author, Lucia Jones, a teacher in the public school system, gives an up-close and personal look at the biggest issues plaguing the System today. Among these issues are school zoning that forces students to move schools (and sometimes neighborhoods) often, a lax teaching curriculum, incompetent school officials, sex education (starting in kindergarten), ditching the basics and the 3 Rs for cuddly, feely

programs loaded with political correctness and the two faces of multiculturalism. Christian values no longer play a role in public schools. Some public schools have taken God out of the Pledge of Allegiance and have even gone so far as pledging allegiance to the Earth. Prayer is not allowed, and the Ten Commandments are no longer displayed. Christmas parties are now winter holiday parties. Even the treats for these parties are at the mercy of the System—no more candy and ice cream, but tofu smoothies and yogurt cups. Lucia Jones is a devout Christian, mother of four, grandmother of eleven, and a veteran elementary school teacher in the public

school system of twenty-five-plus years. She has spent eighteen of those years teaching at a small public elementary school on an Indian reservation. Lucia lives in Northern Nevada with her husband, Tom.

Fade to Blue *Little,*

Brown Books for Young Readers

Sophie Blue started wearing a black skirt and Midnight Noir lipstick on her last birthday. It was also the day her father disappeared. Or spontaneously combusted. Which is sort of bad timing, since a Popsicle truck with tinted windows has started circling the house. Kenny Fade is a basketball god. His sneakers cost more than his Jeep. He's the guy all the ladies (and their mommas) want. Bad. Sophie Blue and Kenny Fade don't have a thing in common. Aside from being reasonably sure they're losing their minds. Acclaimed author Sean Beaudoin's wildly innovative novel combines uproarious humor with enough

plot twists to fill a tube sock. Part thriller, part darkly comic philosophical discussion, and accompanied by a comic book interstitial, *Fade to Blue* is a whip-smart romp that keeps readers guessing until the last paragraph.

Two Books Are Better Than One!

Reading Writing (and Talking and Drawing) Across Texts in K-2 *Capstone*

Today's early literacy programs are more demanding than ever. No longer is it sufficient to teach letters, letter sounds, sight words, and simple texts in kindergarten through second grade. Children are expected to read and comprehend texts in a variety of genres with increasing

complexity. Then they must integrate the ideas and concepts from those texts into their own writing. *Two Books are Better Than One: Reading and Writing (and Talking and Drawing) Across Texts in K-2* helps teachers meet those demands. Each chapter contains an anchor lesson focused on a different way of connecting texts, including: by theme, characters, perspective, structure, or genre. The lessons feature research-based and common core aligned strategies: interactive read-alouds; shared reading and writing; scaffolded small group reading; accountable talk; close reading; and opinion, narrative, and explanatory writing. Each anchor lesson

features two high-quality children's books, and each chapter is rounded out with a list of other recommended book pairs to support you in creating your own lessons.

Faith's Epitome

This project is written to those who didn't really want to do it, but you heard the Master's voice and decided you will go all the way. I salute you and encourage you that you are not alone. I chose Abraham for a portion of this book because he died yet believing God. You may think those who live and die like that are crazy, but we trust our "Daddy" to do the navigating. He is not a

man that He should lie. Many of us live and trust God for His every Word. When He speaks, whether we understand or not we simply obey. When we don't want to do something that God has called us to do, we try to find every preacher or self help book to justify us giving God a "no." Have you notice how easy it is to do that, though? So patiently, we follow His lead, but at times pause to ask, "Daddy! Are We There Yet?"

MONOLITH

'Short stories for tall people de-boxing

Balboa Press

Monolith presents six highly unusual short stories by a former Hollywood writer who was approved by famous Cecil B. DeMille. "Marvelous House of Infinite Joy" is a fictional love story

based on fact. It tells the tale of Olympic gold medalist husband and wife Jami and Clint O'Connell, exploring her death from cancer, her status as she demands to return to Clint, and her heaven. "Martine Salvatore" tells the tale of a bitter private investigator and a martial arts pro team, with millionaire Ranch Meadows who just buried his murdered parents. A fortune of graphite deposits on Ranch's property reeks of deadly involvement. Martine and Ranch travel worldwide, dodging death and trying not to fall in bed. "Immortality: The I Word" explores what the Bible, Talmud, Koran, Sumerian codices, and science labs have in common. It considers

contradictions in the Genesis story of the Garden of Eden and in E.din of Sumeria. A jealous alien fooled Moses using True Source's high tech? This is a robust reach into blasphemy or reality, revising reincarnation proofs along the way. "Sunrise" shares inspirations to make your day—and probably your life. In "All Together Now: Together Now" Lemuria and Atlantis go down, and seismologists come back to alert us. The ridiculed Planet X becomes clarified despite NASA's denials and air brushing games. A disaster that hits every 3,600 years is on course now, hidden by our sun's glare. "Roy" explores the writer's enigma,

something that he ran from for years. There were details prophesied about him by Irish, Scottish, and British prophets, as well as Nostradamus. Today millions say such a president must bring compassion back to government. Is this that man?

Crazy Water

Six Fictions *NYU Press*

In *Crazy Water: Six Fictions*, Lori Baker

pushes the boundaries between truth and reality with curious, tragi-comic results. The imagination is Baker's terrain, and in these stories, pleasant suburban childhoods, family drives, seaside vacations, and an academic's quest for tenure all are strangely warped, yet nonetheless still mirror a world we thought we knew. In these brief pages, boys become dogs, students hide in the molluscan places, and mothers do their best to rescind their unsatisfying children. "I say things smugly as if I understand them," muses one of Baker's narrators. Indeed, characters and readers alike are undermined in these deft and quirky fictions. Exposing and imploding all of our

expectations, Baker shows us how menacing (and funny) the apparently ordinary can be.

**Feels like
Summertime** *Night

Jake: Katie Higgins was the first girl I ever loved. We spent one summer together at Lake Fisher when we were sixteen and then I never saw her again. My life is shit, my job is gone, and my dad had a stroke, so I find myself back at Lake Fisher once again. And

so does Katie. Her last name isn't Higgins anymore, because Katie is married with three kids and one more on the way, but when she shows up at Lake Fisher with her kids, danger trails her all the way there. I could do a lot of things. I could leave and go home. I could stay and deal with it. But what I want most of all is just to take care of Katie. If I concentrate on her, maybe I won't have to face my own problems. Yeah, that's it. Fix Katie. Katie: I haven't seen Jake in eighteen years, but the moment I lay eyes on him, I feel safer than I have in a very long time. Memories swamp me every time I look out over the clear, cool water. A first kiss. A first boyfriend. A first love. That old spark is

still there. I just can't act on it, and neither can Jake. Our story started eighteen years ago, and then we both made lives with other people. Jake is willing to tell me about his, but I can't share mine with him. Ever. We can be friends and spend another summer together, right? Sure, we can.

Feels Like Home *Night Shift Publishing*

Dear Reader, My name is Aaron Thompson and, while I might be an important part of this story, this story isn't mine. It's my best friend Bess's story, and I was just lucky enough to be part of it. Bess met her husband Eli when we were still kids, they fell in love, they got married, and then their marriage fell apart. They hate one

another now, and they can barely be in the same room together for more than five minutes without Bess wanting to scratch Eli's eyes out. Before they can finalize the divorce, however, they have to clean out the old cabin at Lake Fisher, so they can sell it. You see, this is where I come into the story, mainly because the safety and care of three precious little beings rests on whether or not they can find their way back together. I won't ask them to pretend like they're in love; it's obvious how much disdain they have for one another. All I ask is that they give me one more summer. I do have my own reasons for wanting to help them, which I will explain in more detail.

But right now, just know that Bess and Eli's story is an important one, and that I was honored to play a part in it. Best regards, Aaron

Second Spring

A Love Story *Forge Books*

Father Andrew M. Greeley, one of America's best-loved and most widely read novelists, has delighted readers with his ongoing chronicles of the crazy O'Malleys, a rambunctious but resourceful Irish-American family caught up in the sweep of modern American history. The previous novels in the saga--A

Midwinter's Tale, Younger than Springtime, A Christmas Wedding, and September Song-- have taken the O'Malleys of Chicago from the aftermath of World War II through the tumultuous upheavals of the sixties. Now, in Second Spring, Charles "Chucky" O'Malley and his growing clan face the promise and pitfalls of the late seventies. It's 1978 and the whole country, exhausted from the twin traumas of Vietnam and Watergate, seems to be suffering from a massive hangover. Chucky O'Malley knows how the country feels; approaching fifty, he finds himself in the grip of a debilitating midlife crisis. Although he has much to be thankful for, including a loving wife and a thriving career as a professional photographer, he does not feel like a success. He hasn't lost his faith, exactly, but he does feel disillusioned and depressed. As he travels the world, from the Vatican, where a new pope is to be selected, to Jimmy Carter's White House, where an overwhelmed president struggles to find a cure for his nation's malaise, Chucky searches for a way to renew his weary spirit. Fortunately, he doesn't have to face this challenge alone. With the loving support of his family, and especially his irrepressible and adoring wife, Rosemarie, he just might rediscover his lost hope and optimism in time for a Second

Spring. . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
