The Toshiba DR430 DVD Recorder isn't just a simple DVD recorder. Your kids may not appreciate the comparative fuzziness of VHS images, but the movies you burn on your DVDs don't have to look that way. The DR430 can actually convert your home movies into 1080p resolution. Home movies aren't the only videos you can record either.

The Toshiba DR430 DVD recorder is a very good for home recording. My only complaint is the clock gains several seconds a day. Although this is not much, over several weeks, your start and end times will be off enough that you may miss part of the program you are recording. I have been setting the clock each time I record a program.
