**For Love and Money: the Literary Art of the Harlequin Mills and Boon Romance**

**The Literary Art of the Harlequin Mills & Boon Romance** *Humanities-Ebooks*

Laura Vivanco's study challenges the idea that Harlequin Mills & Boon romances are merely mass-produced commodities, churned out in accordance with a strict and unchanging formula. She argues that many are well-written, skilfully crafted works, and that some are small masterpieces. For *Love and Money* demonstrates the variety that exists beneath the covers of Harlequin Mills & Boon romances. They range from paranormal romances to novels resembling chick lit, and many have addressed serious issues, including the plight of post-Second World War refugees, threats to marine mammals, and HIV/AIDS. The genre draws inspiration from Shakespearean comedies and Austen's novels, as well as from other forms of popular culture. "Laura Vivanco's *For Love and Money* is an impressive study of the popular fiction of Harlequin Mills and Boon that is a must read for any student of popular fiction and for those who write and love the genre" —Liz Fielding, author of over 50 Harlequin Mills & Boon romances. "Deep learning, wide reading, and clear thinking are very much in evidence in Vivanco's exploration of HM&B. A welcome addition to popular romance criticism." — Professor Pamela Regis, author of *A Natural History of the Romance Novel*. "Laura Vivanco's analysis of the category romance is both meticulous and inspiring. And while Vivanco limits her examples and discussions to category romances by Harlequin Mills & Boon and the HQN imprint, her application of Frye's mimetic modes begs for expansion to texts and authors across the genre. This piece of literary criticism should serve as a

template for romance scholars to move from defending the genre to discussing its values and complexity as a literary art. — Maryan Wherry, *Journal of Popular Romance Studies*
