Section 2.2: Politics in Criminal Justice. Politics is the art and science of running a government and guiding governmental policy. The nature of politics in America is conflict and debate about policy, and criminal justice policy falls into that arena. The American political system and the criminal justice system involve actions of the President, Congers, courts, bureaucracies, interest groups, elections, and the media.

Perhaps the most important way that the democratic political system shapes criminal justice is through the lawmaking process: Politics influences the laws that legislatures enact. During the 1980s and 1990s, state legislators and the U.S. congressional representatives rushed to frame politically conservative get-tough sentencing laws.

Criminal Injustice raises compelling new questions about the 39 deaths at Attica, White House involvement, and the corrupting influence of Nelson Rockefeller’s political aspirations before, during, and long after the deadly retaking of the prison. Former hostage Michael Smith said that “the cover up started as soon as the shooting stopped.”. This film reveals that the truth actually may have been concealed long before that.

The main argument of Criminal Injustice is that politics and ideology distort America’s ideal goals of crime control and due process, oftentimes resulting in ineffective and unfair criminal justice policies. That is, politics and ideology distort the ideals of Americans found in the Declaration of Independence and the U.S. Constitution. In the book, the author demonstrates how this is true, and he argues that the main problem with criminal justice practice is that it does not target the ...
