Emotional Survival for Law Enforcement

A Guide for Officers and Their Families

This book is designed to help law enforcement professionals overcome the internal assaults they experience both personally and organizationally over the course of their careers. These assaults can transform idealistic and committed officers into angry, cynical individuals, leading to significant problems in both their personal and professional lives.

Spiritual Survival for Law Enforcement

Practical Insights, Practical Tools *Compass Books*

This book is designed to provide spiritual fortification for officers who are faced with a barrage of experiences in the course of their careers which challenge their most deeply held personal beliefs.

It comes with exercises, tools, and insights to restore inner peace and clarity.

POWER

Police Officer Wellness, Ethics, and Resilience *Academic Press*

Power: Police Officer Wellness, Ethics, and Resilience collectively presents the numerous psychic wounds experienced by peace officers in the line of duty, including compassion fatigue, moral injury, PTSD, operational stress injury, organizational and operational stress, and loss. Authors describe the negative repercussions of these psychic wounds in law enforcement decision-making, job performance, job satisfaction, and families. The book encompasses

evidence-based strategies to assist law enforcement agencies in developing policy programs to promote wellness for their personnel. The evidence-based techniques presented allow officers to get a more tangible and better understanding of the techniques so that they apply those techniques when on and off-duty. With forewords authored by Dr. John Violanti (Distinguished Police Research Professor) and Dr. Tracie Keese, Vice President of the Center of Policing Equity, this book is an excellent resource for police professionals, police wellness coordinators, early career researchers, mental health professionals who provide services to law enforcement officers and their families, and graduate students in psychology, forensic psychology, and criminal justice.

Platinum Award Winner 2019, Homeland Security Awards - American Security Today Provides reader with evidence-based strategies to promote officer wellness Covers compassion fatigue, moral injury, PTSD, operational stress, and more Written by established scholars and professionals from a law enforcement context

Bulletproof Spirit, Revised Edition

The First Responder's Essential Resource for Protecting and Healing Mind and Heart *New World Library*

Suicide, depression, anxiety, post-traumatic stress disorder (PTSD), substance abuse, and many more emotional and stress-related problems plague the first-responder community.

Hundreds of thousands of these brave public servants have unwittingly become victims of the professions they once loved. However, the suffering that results from a professional life of sacrifice and service can be prevented and mitigated. As a thirty-year law-enforcement veteran, retired police captain, and police academy instructor, Dan Willis has witnessed the damage of emotional trauma and has made it his personal mission to safeguard and enhance the wellness and wholeness of police officers, firefighters, EMTs, emergency-room personnel, and soldiers. *Bulletproof Spirit* offers field-tested expertise designed to be used by all first responders — and their families — to heal themselves and continue serving with compassion and strength.

I Love a Cop, Third Edition

What Police Families Need to Know

Guilford Publications

Police officers today face unprecedented challenges--anti-police sentiment, increased danger, massive public scrutiny, and the ever-present threat of terrorism. Now thoroughly updated, this trusted resource has already helped over 125,000 police families manage the stress of the job and create a supportive home environment where everyone can thrive. The third edition includes new stories from police families, new chapters on relationships and living through troubled times, and fully updated resources. Discussions of trauma and resilience, domestic abuse, and addictions have been expanded with

the latest information and practical advice. Whether they read the book cover to cover or refer to it when problems arise, families will find no-nonsense guidance they can depend on. Mental health professionals, see also *Counseling Cops: What Clinicians Need to Know*, by Ellen Kirschman, Mark Kamena, and Joel Fay.

Cops Don't Cry

A Book of Help and Hope for Police Families *Creative Bound Incorporated*

Policing is a consuming profession with incredibly high elements of stress. Research suggests that police divorce rates are more than double the national average of ordinary marriages. The spouse's fear of physical danger,

adjusting to shift work, transfers and changes in the officers' personality are only a few of the contributing factors, but the most crucial problem is the breakdown of communication within the relationship. From the beginning of the officers' careers they are trained to control their emotions, and thus are accused of being cold-hearted. Spouses agree that law enforcement officers grapple with the real-life horrors on the job and that the bitter belief that 'cops don't cry' is sadly untrue.

Cops, Cons, and Grace

A Father's Journey Through His Son's Suicide *Wipf and Stock Publishers*

A decade ago Brian Cahill became the

victim of the greatest tragedy any parent can endure with the loss of his firstborn son, a veteran police officer in the aftermath of a painful divorce, to suicide. Far from the carefree retirement he had envisioned, the devastated father faced a journey back from the brink of utter despair. As the author of numerous opinion pieces and essays on religion, the lifelong Catholic was familiar with the concept that the cross is followed by the resurrection, and that from death comes new life. In the devastating years following his beloved son's suicide, the abstract became very real. Cahill's work volunteering with two different groups—cops and cons—saved him, allowing him to eventually experience a measure of grace. The unlikely combination of working with SFPD

officers on suicide prevention and leading a spirituality group for San Quentin lifers brought him enough of a sense of peace and acceptance to truly want to continue living.

Arresting Communication

Academy Edition *Calibre Press*

Arresting Communication: The Academy Edition was written by Lt. Jim Glennon a 30 year law enforcement veteran who also taught at a Police Academy for 12 years. The book can be used by academies as a blueprint for training as well as by recruit officers looking for the tools necessary to communicate effectively during any type of interaction. It includes subjects such as: body language, proxemics, detecting

deception, how to get confessions, developing rapport, avoiding citizen complaints, and understanding the fundamental needs of the Human Animal. In addition, the book advises those entering the profession on how to make it through the Academy as well as the subsequent Probation Period that follows graduation and employment.

How to be a Great Cop *Standards & Training*

An easy-to-read handbook that incorporates years of law enforcement training and experience, "How to Be a Great Cop" shares the insights and experiences of officers who have been there. Written to provide readers with an accurate view of the realities of the job, the book outlines surviving on the street

and the emotional and medical implications of the job, as well as, the history of law enforcement, dealing with the criminal justice system and guidelines for what it takes to be an outstanding officer. The author outlines the importance of integrity, dealing with the judicial system, surviving the street, emotional health, and staying physically fit. For law enforcement professionals and individuals interested law enforcement.

Deadly Force Encounters

What Cops Need To Know To Mentally And Physically Prepare For And Survive A Gunfight *Paladin Press*

In a cop's world it's kill or be killed, but the truth of the matter is that a

shooting's aftermath is often the most dangerous time for the cop. This unique life- and career-saving manual contains every shred of critical information the police officer needs to survive the media, investigations and more.

Police Suicide

Is Police Culture Killing Our Officers?

CRC Press

There is no question that more police officers die from suicide than those killed in the line of duty. The suicide and attempted suicide of police officers is a mental health concern that has been neglected for far too long. *Police Suicide: Is Police Culture Killing Our Officers?* provides realistic insight into the life of a police officer through a police officer's

eyes. Presenting invaluable lessons learned by a Chicago police officer with more than 20 years of experience, it supplies detailed accounts of what an officer goes through to survive on the streets, as well what he or she gives up in return. A must-read for every new recruit and anyone currently working in law enforcement, this book addresses the critical issues involved with an occupation in policing. Providing comprehensive coverage of the subject, it includes coverage of police culture, stress and burnout, personal issues, emotional survival, suicide prevention, risk factors, and PTSD. The book is practical enough for line officers and has enough theory for an academic course on police stress and suicide. We need to do a better job of preparing police for

this stress and a better job caring for our officers throughout their careers. If we do so, we will have better police officers and we will be better served as a society. This book is a primer in that direction. From problems on the street and administrative struggles to personal and family matters, this book provides readers with proven methods for coping with the emotional and physical issues police officers face each day while on the street and at home.

A CHiP on My Shoulder

How to Love Your Cop with Attitude *Tate Publishing*

It hasn't been easy. Marriage is hard, but marriage to a police officer is even harder. Shift work, hypervigilance, mood

swings, and risk have been a big part of the life I live with my officer. But with the right mindset, it can be done, and it can be done well. A CHiP on my Shoulder: How to Love Your Cop with Attitude provides true stories from several marriages, positive thoughts and proven principles on how to make a law enforcement marriage not only survive its difficulties, but thrive in the midst of them. 'I love this book! I am passionate about good health and marriage to my highway patrolman. A CHiP on my Shoulder speaks to both, making choices for a healthy law enforcement marriage. Victoria speaks candidly of the challenges unique to cops and their relationships, and offers positive ways to handle them.' - Alison Sweeney, Actress and Host of The Biggest Loser

Street Survival II

Tactics for Deadly Force Encounters

Calibre Press

The book that could save a police officer's life, career and the life of the citizens officers encounter on the job. The "Bible of Law Enforcement Training" is what the 1980 first edition of Street Survival was considered throughout the profession. Street Survival II: Tactics for Deadly Force Encounters, written by Lt. Jim Glennon, Lt. Dan Marcou with the original author Chuck Remsberg, has a new, sleek, modern look. While paying homage to the original, the update includes more than 200 colored photos and diagrams and delves into the profession's many changes over the past three decades. It includes tactics,

effective street communication, detecting preattack indicators, public expectations, the issue of Guardian and Warrior roles, and especially preparing for the realities of force events.

Bulletproof Spirit

The First Responder's Essential Resource for Protecting and Healing Mind and Heart *New World Library*

If you are a police officer, firefighter, EMT, ER nurse, or soldier, or you love one . . . This book can save your life. Suicide, depression, anxiety, post-traumatic stress disorder (PTSD), substance abuse, and many more emotional and stress-related problems plague the first-responder community. Hundreds of thousands of these brave

public servants have unwittingly become victims of the professions they once loved. However, the suffering that results from a professional life of sacrifice and service can be prevented and mitigated. As a law-enforcement veteran, police captain Dan Willis has witnessed the damage of emotional trauma and has made it his personal mission to safeguard and enhance the wellness and wholeness of police officers, firefighters, EMTs, emergency-room personnel, and soldiers. *Bulletproof Spirit* offers field-tested expertise designed to be used by all first responders — and their families — to heal themselves and continue serving with compassion and strength.

POLICE TRAUMA

Psychological Aftermath of Civilian Combat *Charles C Thomas Publisher*

The police fight a different kind of war, and the enemy is the police officer's own civilian population: those who engage in crime, social indignity, and inhumane treatment of others. The result for the police officer is both physical and psychological battering, occasionally culminating in the officer sacrificing his or her life to protect others. This book focuses on the psychological impact of police civilian combat. During a police career, the men and women of police agencies are exposed to distressing events that go far beyond the experience of the ordinary citizen, and there is an increased need today to help police officers deal with these traumatic experiences. As police work becomes

increasingly complex, this need will grow. Mental health and other professionals need to be made aware of the conditions and precipitants of trauma stress among the police. The goal of this book is to provide that important information. The book's perspective is based on the idea that trauma stress is a product of complex interaction of person, place, situation, support mechanisms, and interventions. To effectively communicate this to the reader, new conceptual and methodological considerations, essays on special groups in policing, and innovative ideas on recovery and treatment of trauma are presented. This information can be used to prevent or minimize trauma stress and to help in establishing improved support and

therapeutic measures for police officers. Contributions in the book are from professionals who work with police officers, and in some cases those who are or have been police officers, to provide the reader with different perspectives. Chapters are grouped into three sections: conceptual and methodological issues, special police groups, and recovery and treatment. The book concludes with a discussion of issues and identifies future directions for conceptualization, assessment, intervention, and effective treatment of psychological trauma in policing.

CopShock

Surviving Posttraumatic Stress Disorder (PTSD)

Nightmares, flashbacks, anger, concentration problems, emotional detachment, avoidance of people and places... These are some of the signs of PTSD. As many as one in three cops may suffer from PTSD, a condition that could lead to depression, suicidal thoughts, addictions, eating disorders, as well as job and family conflict. CopShock prepares police officers for the aftermath of horrific trauma, helps families understand PTSD's effect on their loved ones, tells true stories of officers-men and women-with PTSD, and offers over 200 support sources. In the second edition of this much praised book on police trauma survival, almost 50 percent of CopShock has been expanded, revised or updated with new material, including self-tests for PTSD,

Panic Disorder, and Depression. Law enforcement officers throughout the United States, Canada and 8 other countries have used this book in their peer support programs, police academies, and post-trauma units. Therapists recommend it to their patients, and many law enforcement college programs include it in their curricula. Since the publication of CopShock's first edition in 1999, the book has been reviewed and praised around the world. The A&E Television Network produced a documentary based on CopShock that is shown today in police academies, colleges, and peer support groups. In this new second edition, and in the aftermath of 9/11, the war on terror, and the consequences from natural disasters like hurricane

Katrina, CopShock will help many more police officers, firefighters, first responders, and war veterans cope with the damaging effects of PTSD.

I Love a Cop

What Police Families Need to Know

Guilford Press

Will police work change the person you love? Are police marriages destined to fail? What are the chances of your loved one being killed in the line of duty? Separating fact from myth, Dr. Ellen Kirschman answers these and other critical questions in the first comprehensive self-help book created specifically for today's police families. In information-filled chapters, readers will go behind the scenes with other police

families as they discuss the benefits and pitfalls of police work; learn how to manage the effects of organizational stress and the pressures of unpredictable schedules, long hours and loneliness; gain awareness of the emotional, physical, and behavioral warning signs which can lead to such extreme situations as posttraumatic stress, alcoholism, suicide and domestic violence; find out where families can go for help and counseling; and get an inside look at cop couples and the special challenges facing women, minorities, and gays and lesbians on the force.

Increasing Resilience in Police and Emergency Personnel

Strengthening Your Mental Armor*Routledge*

Increasing Resilience in Police and Emergency Personnel illuminates the psychological, emotional, behavioral, and spiritual impact of police work on police officers, administrators, emergency communicators, and their families. Author Stephanie Conn, a clinician and researcher as well as a former police officer and dispatcher, debunks myths about weakness and offers practical strategies in plain language for police employees and their families struggling with traumatic stress and burnout. Sections of each chapter also offer guidance for frequently overlooked roles such as police administrators and civilian police employees. Using real-world anecdotes

and exercises, this book provides strengths-based guidance to help navigate the many complex and sometimes difficult effects of police and emergency work.

What Cops Talk About Over Coffee

This collection of memories from police officers across Canada and some outside jurisdictions, include firsthand accounts of situations they have encountered in their careers from the 1950's through to 2012. Contributions from RCMP, City Police, Federal and Provincial law enforcement agencies were collected over a 30 year period and pose as a snapshot of the type of conversations or "shop talk" two police officers might have during their coffee break. These accounts are both heartwarming and

humorous, some are frightening; others offer some insight into the human spirit...they are real stories told by real heroes.

Atlas Shrugged *Penguin*

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, *Atlas Shrugged* is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's *The Great American Read*. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he

loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. *Atlas Shrugged*, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

Sound Doctrine

A Tactical Primer *Lantern Books*

In recent years, law enforcement has suffered a number of tactical fiascoes. Officers and agencies have been the subject of civil and criminal sanctions, public confidence has deteriorated and lives have been lost. Unlike most tactical books, which teach tactics as a "skill set," this book emphasizes an intuitive application of fundamental principles. These principles have evolved over centuries of tactical operations and form a body of "sound doctrine." Heal not only presents a distillation of the more than ninety tactical texts, but provides an insightful and compelling call for rethinking tactics of law enforcement. Assuming no prior experience or

understanding of tactical matters, Heal draws from everyday life such as competitive games, driving, or planning a vacation to show how to reconceptualize a difficult situation. Because of the fundamental concepts Heal explores apply to all types of emergencies, Sound Doctrine is suitable for not only law enforcement, but firefighters, private security, and other emergency responders.

Take Up the Shield

Comparing the Uniform of the Police Officer and the Armor of God

Written by a street cop, this unique publication compares the various pieces of law enforcement equipment to the spiritual armor that the Bible describes

in Ephesians chapter 6. The importance of each piece of equipment is driven home through engaging, real-life police stories (responding to the infamous L.A. Riots, the devastating 1994 Northridge earthquake, working in jails, making arrests, and more). Although much has been written about this well-known passage of Scripture, little has been written from the perspective of a Christian who wears and uses the physical armor of the police officer every day, fighting both the physical battle against crime in our society and the spiritual battle against evil that all individuals are called to fight. You don't have to be a cop or a Christian to be encouraged and challenged by this book. In addition to building your faith, this book will serve as a helpful introduction

to the men and women who protect you and your community."

Force under Pressure *Lantern Books*

In *Force Under Pressure*, Dr. Lawrence Blum, who has devoted his life's work to the survival and wellness of "those who serve," describes the sources of danger, injuries, and victory to police officers in a down-to-earth, readable style. Blum argues that there are missing ingredients in the training and socialization of police officers. These ingredients include techniques and tools to condition the officer's decision-making and concentration during conditions of emergency; internal controls necessary to maintain the will to survive; and aids that will prevent officers being defeated by any threat. Distressing and/or

disturbing physical and psychological reactions are common in a police officer's workday, and the officer must be prepared for them. Blum's work has uncovered many of the casues of compromise to officer safety and wellness, and he contends that police officers will be well prepared to cope with unanticipated or rapidly changing encounters if they possess the right tools and the know-how to command and control field encounters and life's pressures. Here Blum provides practical tools for survival in law enforcement, by combining his clinical knowledge with true stories of police officers for an attention-grabbing and informative book."

Counseling Cops

What Clinicians Need to Know

Guilford Publications

Grounded in clinical research, extensive experience, and deep familiarity with police culture, this book offers highly practical guidance for psychotherapists and counselors. The authors vividly depict the pressures and challenges of police work and explain the impact that line-of-duty issues can have on officers and their loved ones. Numerous concrete examples and tips show how to build rapport with cops, use a range of effective intervention strategies, and avoid common missteps and misconceptions. Approaches to working with frequently encountered clinical problems--such as substance abuse, depression, trauma, and marital conflict--are discussed in detail. A new preface in

the paperback and e-book editions highlights the book's relevance in the context of current events and concerns about police-community relations. See also Kirschman's related self-help guide *I Love a Cop, Third Edition: What Police Families Need to Know*, an ideal recommendation for clients and their family members.

Proud Police Wife

Psalm 27:14 NLT

Good Cop, Good Cop

A Get Healthy, Stay Healthy Guide for Law Enforcement

The Crazy Lives of Police Wives

Createspace Independent Pub

A Police Officer's calling in life is to serve and protect, and he would willingly lay down his life for all. If he would do that for a stranger, imagine all that he would do for his wife. Our law enforcement husbands are our heroes, we love them dearly and we wouldn't trade them for the world, but being a Law Enforcement Officer's wife comes with its own set of challenges. Law enforcement wives from across North America share communal advice, wisdom, experience, insight and laughter with fellow LEO wives. We offer a peek into our world, "the heart of the badge," to our husbands, families, friends and neighbors. *** To further the mission of the book, author proceeds are donated to police related charities

Empowerment Series: Essential Research Methods for Social Work

Cengage Learning

Rubin and Babbie's ESSENTIAL RESEARCH METHODS FOR SOCIAL WORK provides students with a concise introduction to research methods that offers illustrations and applications specific to the field, as well as a constant focus on the utility of social work research in social work practice. Outlines, introductions, boxed features, chapter endings with main points, review questions and exercises, and Internet exercises provide students with the information and practice they need to succeed in the course. Part of the Cengage Empowerment Series, the fourth edition is up to date and thoroughly integrates the core

competencies and recommended practice behaviors outlined in the current Educational Policy and Accreditation Standards (EPAS) set by the Council on Social Work Education (CSWE). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Effective Police Supervision Study Guide *Routledge*

Good police officers are often promoted into supervisory positions with little or no training for what makes a good manager. *Effective Police Supervision* provides readers with an understanding of the group behaviors and organizational dynamics necessary to understand the fundamentals of police

administration. The *Effective Police Supervision Study Guide*, which includes quizzes and other study tools, gives students, as well as professionals training for promotional exams, a way to review the material and be fully prepared for examinations and the world of police supervision. This new edition, like the new edition of the textbook it accompanies, includes information on the following topics: police accountability, police involvement with news media, dealing with social media, updates on legal considerations, and avoiding scandals.

The Stoic Cop

Policing Through Stoic Virtue

There's no doubt that law enforcement

comes with its immense stress. Sometimes it feels like our world is nothing but chaos; chaos at home due to stressors at work, chaos at work due to the stressors at home, but mainly the chaos we make for ourselves from unnecessary, falsely perceived stress. But what if you could control all that by simply adopting the virtues of the stoic philosophy? Stoicism teaches how to find inner peace amid the chaos of our perceived external world. With a mixture of stoic aphorisms and personal stories, *The Stoic Cop* explains how it is possible to handle the daily stress and chaos of law enforcement with a little mind control. Learn to bridge the gap between police and citizen relationships, deal with difficult people, navigate department politics, and more. Learn to control your

perceptions, opinions, and emotions and become a better, more virtuous police officer. Most importantly, control your perceived chaos.

Uncuffed

Bulletproofing the Law Enforcement Marriage *Five Stones Press*

"Uncuffed might be the most important book ever written specifically to help marriages in the law enforcement community. Crafted with tremendous transparency, raw honesty, practical application and a level of grit that could only be possible through their own harrowing experiences, our friends Scott and Leah Silverii have created a masterpiece that will undoubtedly help marriages everywhere. If you are a First

Responder or married to one, this book will be a game-changer for your marriage!" -Dave and Ashley Willis, Authors of The Naked Marriage and Hosts of The Naked Marriage Podcast

The Intelligence of Dogs

A Guide to the Thoughts, Emotions, and Inner Lives of Our Canine Companions *Simon and Schuster*

A revised edition of the best-selling reference on canine psychology incorporates the latest scientific findings and interviews with top breeders and trainers to enable dog lovers to evaluate a pet's intelligence, read dog body language, and adapt a training program suited to an animal's specific needs. By the author of How Dogs Think. Original.

10,000 first printing.

True Blue: To Protect and Serve *St. Martin's Press*

Lieutenant Randy Sutton's fascinating collection of stories and memories, solicited from law enforcement officers across the country, offers a broad and insightful look at the many facets of police life: courage, exhilaration, frustration, loss, and even humor, from the everyday to the career-defining moments on the job. Told by the cops that lived them, these stories show what it truly means to protect and serve. Readers will come to recognize the faces behind the badge, as they witness officers charge into the unknown on The Beat, honor and mourn friends in The Fallen, hear the War Stories spread in

police locker rooms and bars, discover the unbreakable line between civilian and cop in the Line of Duty, and feel the blood-boiling adrenaline during those life-altering moments when a cop must use Deadly Force. TRUE BLUE: To Protect and Serve is a funny, exciting, haunting compilation of true stories written by active and retired police officers, most of whom have never written before, alongside published officers from all over the United States. A portion of the royalties for this book will be donated to The National Law Enforcement Officers Memorial Fund.

Challenging the Law Enforcement Organization

The Road to Effective Leadership

Mindfulness For Warriors

Empowering First Responders to Reduce Stress and Build Resilience

Mango Media Inc.

#1 New Release in Military Families – Coping with the Stress of First Responder Life A traumatic way of life: First responders have the incredibly difficult job of running toward danger while the rest of us run away. No training can prepare them for what they will see and endure. Kim Colegrove understands what it's like to watch someone go through that. After 30 years in law enforcement, her husband took his own life. This agonizing experience opened Kim's eyes to the desperate need for an effective form of stress-relief and support for first responders. The power

of meditation: No matter our profession, taking care of our mental health needs to be a priority. For first responders like cops and EMTs, ensuring that their heads are in a healthy place is crucial because each day can bring them face-to-face with another trauma. With 40 years of experience, Kim Colegrove is here to share with readers that there is a viable and practical resource for first responders found in meditation. A source of hope: In 2017, Kim founded The PauseFirst Project, Mindfulness for First Responders. Kim offers the PauseFirst block of training to organizations across the country. She teaches techniques that help reduce stress, regulate emotion, and improve overall health and well-being. Colegrove's work to bring awareness is a tribute to both her

husband and the countless other first responders who struggle with the realities of their jobs. Readers of Kim Colegrove's *Mindfulness for Warriors* will find... • Evidence-based practices to help first responders and their families deal with stress • Interviews with first responders who share their stories of overcoming, surviving, and thriving • Colegrove's own raw and intimate story of her husband's troubles and how she continues each day fighting in his memory Readers who have looked for encouragement messages and aid in books like *Bulletproof Spirit*, *Bullets in the Washing Machine*, and *I Love a Cop* (Third Edition) will find a further source of healing in *Mindfulness for Warriors*.

Verbal Judo

The Gentle Art of Persuasion*Zondervan*

Improve communication, resolve conflicts, and avoid the most common conversational disasters through simple, easily remembered strategies that deflect and redirect negative behaviour. Verbal Judo is the martial art of the mind and mouth that can show you how to be better prepared in every verbal encounter. Listen and speak more effectively, engage people through empathy (the most powerful word in the English language), avoid the most common conversational disasters, and use proven strategies that allow you to successfully communicate your point of view and take the upper hand in most disputes.

Street Survival**Tactic for Armed Encounters** *Calibre Press*

This book deals with positive tactics officers can employ on the street to effectively use their own firearms to defeat those of assailants. It is devoted exclusively to understanding and mastering techniques that work for survival in real life situations. Unfortunately, most of the current literature on so-called 'combat shooting' explores what works against paper targets. Few street-wise experts or truly contemporary articles have emerged on street survival, although deadly assaults on the police continue to occur year after year. This book can help make you survival sensitive. The techniques it

emphasizes are designed to affect the way you prepare, plan and react, to keep you alive in real situations. They are not hypotheses, but proven procedures, based on the insights of officers who have experienced gun battles and survived and on the lessons left behind by those who have died.

Behind the Badge

365 Daily Devotions for Law Enforcement *Broadstreet Publishing*

Take time to refresh before you report. Respected by some and feared by others, law enforcement officers face daily pressures and dangers uncommon to other professions. Behind the Badge provides daily, spiritual nourishment that will encourage you professionally and

personally. Filled with personal stories, relevant Scriptures, and practical prayers, the short devotions focus on themes such as peace, integrity, strength, family, protection, divine direction, preparedness, service, and more. Also included are powerful blessings and declarations that will inspire and strengthen. God has ordained the path you walk today. Let Behind the Badge help equip your steps and be a constant reminder of the permanent backup you have in God as you uphold the law.

A Family for Gracie *Zebra Books*

For the Amish of Pontotoc, Mississippi, faith and family are everything—even when they pose the greatest challenge . . . Gracie Glick is known for being the

helpful one, always available for a relative in need. But now that she's longing for a home and family of her own, it's time to help herself. With few eligible men in Pontotoc, Gracie's choices, and her time, are limited. So she takes a bold leap of faith: she proposes to Matthew Byler, a handsome, recently widowed, father of five. It's not until after they're married that Gracie learns Matthew doesn't want more children . . . With his grief still fresh, and his children needing care while he tends to his farm, Gracie is the answer to Matthew's prayers. But a marriage in name only suits him fine. And when he finally tells Gracie the dismaying reason why, they must decide whether to continue together—or apart. It's a choice that will force them both to look deeper

into their hearts than ever before . . . Praise for Amy Lillard and her Wells Landing novels "An inspirational story of romance, faith, and trust . . . will appeal to fans of Wanda Brunstetter and Beverly Lewis." —Library Journal on Caroline's Secret "Fans of inspirational romance will appreciate Lillard's vivid characters and positive message." —Publishers Weekly

Hearts Beneath the Badge *Missing Niche Publishing*

True stories of what is happening in hearts and minds of law enforcement. A way to see them as what they are - human. Hearts Beneath the Badge is a unique compilation of interviews with officers across the country. It's about them. Their thoughts, fears, proud

moments and heartbreak. They are among the hundreds of thousands that are unseen each day, the men and women that go back for more no matter the personal cost. They provide meals, rides, lifesaving breaths and prosthetic legs. There is much more to them than meets the eye-or the news camera. Reading this book, will open you to a world of people you may have forgotten

existed. Society as a whole needs to accept police officers for who they are - mere mortals. In order to do that, we must look through the layers of the officer's lives and see the heartache and joy, the same heartaches and joy we all experience. Charities benefiting - National Law Enforcement Memorial Fund, Safe Call Now, Concerns of Police Survivors and PoliceWives.
