Prudence is a professional time traveler from the 22nd century working fruitlessly to try and change one small event in 1884. The two women cross paths and work together to put Prudence’s plan to end time travel in motion. This novella packs a lot of action and time travel goodness and there’s a sequel called Alice Payne Rides. It also contains one of the realest lines of any of the time travel books I’ve read: “2016’s completely fucked.”
