In Catholic canon law, an interdict / ' ɪ n t ə r d ɪ k t / is an ecclesiastical censure, or ban that prohibits persons, certain active Church individuals or groups from participating in certain rites, or that the rites and services of the church are banished from having validity in certain territories for a limited or extended time.

Interdict - Wikipedia

a form of ecclesiastical pressure or punishment in the Catholic Church; a temporary ban placed by the pope (or sometimes by a bishop) on worship and religious ceremonies (excluding excommunication from the church) within a particular area (a local interdict). Sometimes it is placed on

particular people and is known as a personal interdict.

Interdicts | Article about interdicts by The Free Dictionary

This chapter traces the evolution of the interdict's terms from the customary practices of the early 13th century to the fully articulated and systematic definition that existed in law and legal doctrine a century later. The lines of development are not always clear, however, and the evidence of practice that emerges from the 13th-century

papal registers and other sources is patchy.
