A Communitarian Critique of Liberalism

In his Spheres of Justice (1983), Michael Walzer helped to pioneer (a contemporary version of) the communitarian critique of liberalism (for an introduction, see Dworkin's review and Walzer's reply for an overview). Walzer's criticism is in part that: 'We cannot distribute goods to men and women until we understand what the goods mean, what parts they play, how they are created, and how they are valued, among those same men and women.

As it turns out, the communitarian critique of the atomistic self does not apply to Rawlsian liberalism: in Part III of Theory of Justice, Rawls pays close attention to the psychological and social conditions that facilitate the formation of liberal selves committed to justice. But few readers ever got to Part III of Rawls' massive tome, so communitarians got quite a bit of mileage from their critique of liberal atomism.

Communitarianism (Stanford Encyclopedia of Philosophy)

Communitarianism, social and political philosophy that emphasizes the importance of community in the functioning of political life, in the analysis and evaluation of political institutions, and in understanding human identity and well-being. It arose in the 1980s as a critique of two prominent philosophical schools: contemporary liberalism, which seeks to protect and enhance personal autonomy and individual rights in part through the activity of government, and libertarianism, a form of ...

Like recent communitarian philosophers, both Marx and Hegel reject the idea that the individual is an atomic entity, an idea that runs through liberal social philosophy and classical economics. Human productive activity is essentially social. However, Marx shows that the liberal concepts of individuality and society are not simply philosophical errors; they are products and expressions of the social alienation of free market conditions.
