Rights and Wrongs *Princeton University Press*

Wide-ranging and ambitious, Justice combines moral philosophy and Christian ethics to develop an important theory of rights and of justice as grounded in rights. Nicholas Wolterstorff discusses what it is to have a right, and he locates rights in the respect due the worth of the rights-holder. After contending that socially-conferred rights require the existence of natural rights, he argues that no secular account of natural human rights is successful; he offers instead a theistic account. Wolterstorff prefaces his systematic account of justice as

grounded in rights with an exploration of the common claim that rights-talk is inherently individualistic and possessive. He demonstrates that the idea of natural rights originated neither in the Enlightenment nor in the individualistic philosophy of the late Middle Ages, but was already employed by the canon lawyers of the twelfth century. He traces our intuitions about rights and justice back even further, to Hebrew and Christian scriptures. After extensively discussing justice in the Old Testament and the New, he goes on to show why ancient Greek and Roman philosophy could not serve as a framework for a theory of rights. Connecting rights and wrongs to God's

relationship with humankind, Justice not only offers a rich and compelling philosophical account of justice, but also makes an important contribution to overcoming the present-day divide between religious discourse and human rights.

Jephthah's Daughter, Sarah's Son

The Death of Children in Late Antiquity *Univ of California Press*

Late antiquity was a perilous time for children, who were often the first victims of economic crisis, war, and disease. They had a one in three chance of dying before their first birthday, with as many as half dying before age ten. Christian writers accordingly sought to speak to the experience of bereavement and to provide cultural scripts

for parents who had lost a child. These late ancient writers turned to characters like Eve and Sarah, Job and Jephthah as models for grieving and for confronting or submitting to the divine. Jephthah's Daughter, Sarah's Son traces the stories these writers crafted and the ways in which they shaped the lived experience of familial bereavement in ancient Christianity. A compelling social history that conveys the emotional lives of people in the late ancient world, Jephthah's Daughter, Sarah's Son is a powerful portrait of mourning that extends beyond antiquity to the present day.

After the Death of a Child

Living with the Loss Through the Years *Simon and Schuster*

For a parent, losing a child is the most devastating event that can occur. Most books on the subject focus on grieving and recovery, but as most parents agree, there is no recovery from such a loss. This book examines the continued love parents feel for their child and the many poignant and ingenious ways they devise to preserve the bond. Through detailed profiles of parents, Ann Finkbeiner shows how new activities and changed relationships with their spouse, friends, and other children can all help parents preserve a bond with the lost child. Based on extensive interviews and grief research, Finkbeiner explains how parents have changed five to twenty-five years after the deaths of their children. The first half of the book discusses the short- and long-term effects of the child's death on the parent's relationships with the outside world, that is, with their spouses, other children, friends, and relatives. The second half of the book details the effect on the parents' internal world: their continuing sense of guilt; their need to place the death in some larger context and their inability sometimes to consistently do so; their new set of priorities; the nature of their bond with the lost child and the subtle and creative ways they have of continuing that bond. Finkbeiner's central point is not so much how parents

grieve for their children, but how they love them. Refusing to fall back on pop jargon about “recovery” or to offer easy solutions or standardized timelines, Finkbeiner’s is a genuine and moving search to come to terms with loss. Her complex profiles of parents resonate with the honesty and authenticity of uncomfortable emotions expressed and, most importantly, shared with others experiencing a similar loss. Finally, each profile exemplifies the many heroic ways parents learn to live with their pain, and by so doing, honor the lives their children should have lived.

Foreskin's Lament

A Memoir *Penguin*

A New York Times Notable Book, and a “chaotic, laugh riot” (San Francisco Chronicle) of a memoir. Shalom Auslander was raised with a terrified respect for God. Even as he grew up and was estranged from his community, his religion and its traditions, he could not find the path to a life where he didn’t struggle daily with the fear of God’s formidable wrath. *Foreskin’s Lament* reveals Auslander’s “painfully, crippling, incurably, miserably religious” youth in a strict, socially isolated Orthodox Jewish community, and recounts his rebellion and efforts to make a new life apart from it. His combination of

unrelenting humor and anger renders a rich and fascinating portrait of a man grappling with his faith and family.

The Louder Song

Listening for Hope in the Midst of Lament

NavPress Publishing Group

Lament helps us hear God's louder song. When you're in the midst of suffering, you want answers for the unanswerable, resolutions to the unresolvable. You want to tie up pain in a pretty little package and hide it under the bed, taking it out only when you feel strong enough to face it. But grief won't be contained. Grief disobeys. Grief explodes. In one breath, you may be

able to say that God's got this and all will be well. In the next, you might descend into fatalism. No pretending. Here, you are raw before God, an open wound. There is a pathway through this suffering. It's not easy, but God will use it to lead you toward healing. This path is called lament. Lament leads us between the Already and the Not Yet. Lament minds the gap between current hopelessness and coming hope. Lament anticipates new creation but also acknowledges the painful reality of now. Lament recognizes the existence of evil and suffering--without any sugarcoating--while simultaneously declaring that suffering will not have the final say. In the midst of

your darkest times, you will discover that lament leads you back to a place of hope--not because lamenting does anything magical, but because God sings a louder song than suffering ever could, a song of renewal and restoration.

Approaching the Atonement

The Reconciling Work of Christ

InterVarsity Press

Theologian Oliver Crisp explores the meaning of the cross and the various ways that the death of Jesus has been interpreted in the church's history—from ransom theory in the early church to penal substitutionary theory to more recent feminist critiques. What emerges is a more complex, expansive,

and fruitful understanding of the atonement and its significance for the Christian faith today.

Grief Observed *Zondervan*

Written after his wife's tragic death as a way of surviving the "mad midnight moment," *A Grief Observed* is C.S. Lewis's honest reflection on the fundamental issues of life, death, and faith in the midst of loss. This work contains his concise, genuine reflections on that period: "Nothing will shake a man -- or at any rate a man like me -- out of his merely verbal thinking and his merely notional beliefs. He has to be knocked silly before he comes to his senses. Only torture will bring out the truth. Only under

torture does he discover it himself." This is a beautiful and unflinchingly honest record of how even a stalwart believer can lose all sense of meaning in the universe, and how he can gradually regain his bearings.

Hearing the Call

Liturgy, Justice, Church, and World *Wm. B. Eerdmans Publishing Company*

What is the Word of the Lord for a world of injustice? What does it mean to hear the cries of the oppressed? What does liturgy have to do with justice? These questions have been at the heart of Nicholas Wolterstorff's work for over forty years. In this collection of essays, he brings together personal,

historical, theological, and contemporary perspectives to issue a passionate call to work for justice and peace. An essential complement to his now classic *Until Justice and Peace Embrace*, the forthcoming *Love and Justice*, and *Justice*, this book makes clear why Wolterstorff is one of the church's most incisive and compelling voices. Between the *Times* invites us not simply into new ways of thinking, but a transformational way of life.

The Hurley Maker's Son *Random House*

Patrick Deeley's train journey home to rural East Galway in autumn 1978 was a pilgrimage of grief: his giant of a father had been felled, the hurley-making workshop silenced.

From this moment, Patrick unfolds his childhood as a series of evocative moments, from the intricate workings of the timber workshop run by his father to the slow taking apart of an old tractor and the physical burial of a steam engine; from his mother's steady work on an old Singer sewing machine to his father's vertiginous quickstep on the roof of their house. There are many wonderful descriptions of the natural world and delightful cameos of characters and incidents from a not-so-long-ago country childhood. In a style reminiscent of John McGahern's *Memoir*, Deeley's beautifully paced prose captures the rhythms, struggles and rough edges of a

rural life that was already dying even as he grew. This is an enchanting, beautifully written account of family, love, loss, and the unstoppable march of time.

In This World of Wonders

Memoir of a Life in Learning *Wm. B. Eerdmans Publishing*

World-renowned Christian philosopher. Beloved professor. Author of the classic *Lament for a Son*. Nicholas Wolterstorff is all of these and more. His memoir, *In This World of Wonders*, opens a remarkable new window into the life and thought of this remarkable man. Written not as a complete life story but as a series of vignettes,

Wolterstorff's memoir moves from his humble beginnings in a tiny Minnesota village to his education at Calvin College and Harvard University, to his career of teaching philosophy and writing books, to the experiences that prompted some of his writing—particularly his witnessing South African apartheid and Palestinian oppression firsthand. *In This World of Wonders* is the story of a thoughtful and grateful Christian whose life has been shaped by many loves—love of philosophy, love of family, love of art and architecture, love of nature and gardening, and more. It's a lovely, wonderful story.

Safe in the Arms of

God

**Truth from Heaven
About the Death of a
Child** *Thomas Nelson*

"Is my baby in heaven?" This is the most important question a grieving parent can ask. And even if the little one is someone else's child, the issue remains: What happens to children?those unborn, stillborn, or youngsters?when they die? Can you hope to see them again? Can you let go of your fear and guilt? Can God's love soothe a wound so jagged? With scriptural authority and the warmth of a pastor's heart, bestselling author John MacArthur examines the breadth of the entire Bible and reveals in this compelling book the Heavenly Father's care

for every life. "I have sat by the grave of our daughter and son and wondered out loud if my belief that Hope and Gabriel are in heaven has any solid scriptural support. John MacArthur offers truth from God's Word that puts the doubts of any grieving parent to rest. Safe in the Arms of God reveals that confidence of heaven for the child you love is based on much more than mere sentimentality; it is revealed in the Word of God and reflective of the very heart of God." ?Nancy Guthrie, author of *Holding On to Hope*

A Grace Disguised

How the Soul Grows Through Loss
Zondervan

"The experience of loss does not have to be the defining moment of our lives", writes Gerald Sittser. "Instead, the defining moment can be our response to the loss. It is not what happens to us that matters so much as what happens in us". Sittser knows. A

tragic accident introduced him to loss of a magnitude few of us encounter. But this is not a book about one man's sorrow. It's about the grace that can transform us in the midst of sorrow. For those experiencing loss, *A Grace Disguised* offers a compassionate, deeply affirming message of hope, richness in living, and joy not after the darkness, but even in the midst of it. Hurting with God

Learning to Lament with the Psalms *ACU Press*

How do believers live out faith in prolonged seasons of pain and loss? How can we live with God when it hurts--and continues to hurt? Drawing from his own daily struggle with chronic pain and years of reading and teaching the Psalms, Pemberton leads readers on a quest to recover a lost ancient resource for people of faith--the language of

lament. This rich volume calls attention to the loss of lament in churches, what this loss is costing us, and what might happen if we spoke and prayed the full spectrum of biblical faith languages. The Moon Is Always Round *New Growth Press*

Even young children want answers to the hard questions about God and suffering. In *The Moon Is Always Round*, seminary professor and author Jonathan Gibson uses the vivid imagery of the moon to explain to children how God's goodness is always

present, even when it might appear to be obscured by upsetting or difficult circumstances. In this beautiful, full-color illustrated book, he allows readers to eavesdrop on the conversations he had with his young son in response to his sister's death. Father and son share a simple liturgy together that reminds them that, just as the moon is always round despite its different phases, so also the goodness of God is always present throughout the different phases of life. A section in the back of the book offers further biblical help for parents and caregivers in explaining God's goodness to children. Jonathan Gibson reminds children of all ages that God's

goodness is present in the most difficult of times, even if we can't always see it.

Burnings

Poetry. Asian American Studies. LGBT Studies. The poems of **BURNINGS** explore refugee culture, be the speaker a literal refugee from a torn homeland, or a refugee from his own skin, burning with the heat of a awakening eroticism. In this world, we're all refugees from something. As two-time National Slam Champion Roger Bonair-Agard says: "Ocean manages to imbue the desperation of his being alive—with a savage beauty. It is not just that Ocean can render pain as a kind of loveliness, but that his poetic line will not let you forget the hurt

or the garish brilliance of your triumph; will not let you look away. These poems shatter us detail by detail because Ocean leaves nothing unturned, because every lived thing in his poems demands to be fed by you; to nourish you in turn. You will not leave these poems dissatisfied. They will fill you utterly."

Abraham's Silence

The Binding of Isaac, the Suffering of Job, and How to Talk Back to God *Baker Academic*

It is traditional to think we should praise Abraham for his willingness to sacrifice his son as proof of his love for God. But have we misread the point of the story? Is it possible that a careful reading of Genesis 22 could reveal that God was not pleased with Abraham's silent obedience? Widely respected biblical

theologian, creative thinker, and public speaker J. Richard Middleton suggests we have misread and misapplied the story of the binding of Isaac and shows that God desires something other than silent obedience in difficult times. Middleton focuses on the ethical and theological problem of Abraham's silence and explores the rich biblical tradition of vigorous prayer, including the lament psalms, as a resource for faith. Middleton also examines the book of Job in terms of God validating Job's lament as "right speech," showing how the vocal Job provides an alternative to the silent Abraham. This book provides a fresh interpretation of

Genesis 22 and reinforces the church's resurgent interest in lament as an appropriate response to God.

On discovering her murdered husband's body, an eighteenth-century Irish noblewoman drinks handfuls of his blood and composes an

extraordinary lament. Eibhlín Dubh Ní Chonaill's poem travels through the centuries, finding its way to a new mother who has narrowly avoided her own fatal tragedy. When she realizes that the literature dedicated to the poem reduces Eibhlín Dubh's life to flimsy sketches, she wants more: the details of the poet's girlhood and old age; her unique rages, joys, sorrows, and desires; the shape of her days and site of her final place of rest. What follows is an adventure in which Doireann Ní Ghríofa sets out to discover Eibhlín Dubh's erased life—and in doing so, discovers her own. Moving fluidly between past and present, quest and elegy, poetry and those who make it, A

Ghost in the Throat is a shapeshifting book: a record of literary obsession; a narrative about the erasure of a people, of a language, of women; a meditation on motherhood and on translation; and an unforgettable story about finding your voice by freeing another's.

Rally

Communal Prayers for Lovers of Jesus and Justice *Upper Room Books*

"This is a prayer book for revolution—a revolution of love and compassion and justice," Shane Claiborne writes in the foreword. The prayers in this collection are

meant to be prayed in community. Rally is a prayer book for faith communities searching for words to respond to the injustices around them. It's a prayer book for Christian activists who believe in putting feet to their prayers. The book supplies words for concerned Christians who yearn to lift their voices to God about such issues as racism; the abuse of power and privilege; mistreatment of migrants and refugees; lives tragically lost; our violent society; white supremacy; and people being marginalized because of their gender, ethnic identity, sexual orientation, or economic status. Rally contains prayers for perpetrators, for loving our bodies, for listening to one another, for

those who have been wounded by the church. In this resource, readers will find prayers that evoke hope and connection, guidance for sifting through the news and social media headlines, laments about destruction of the earth, and pleas for loving alike though we don't think alike. The beauty of this book lies in the rich variety of voices and experiences of its writers—leaders who work at the intersection of Christianity and social justice and who want to resource those who gather to lament the needs and celebrate the possibilities of a better world. "Lord, stir us up to holy action," cries this powerful book. Rally spurs people to compassionately

continue the important work of loving God and neighbor until all of God's people feel safe and seen.

A Good and Happy Child

A Novel *Crown*

A young man reexamines his childhood memories of strange visions and erratic behavior to answer disturbing questions that continue to haunt him and his new family in this psychological thriller named a Washington Post best book of 2007. Thirty-year-old George Davies can't bring himself to hold his newborn son. After months of accepting his lame excuses and

strange behavior, his wife has had enough. She demands that he see a therapist, and George, desperate to save his unraveling marriage and redeem himself as a father and husband, reluctantly agrees. As he delves into his childhood memories, he begins to recall things he hasn't thought of in twenty years. Events, people, and strange situations come rushing back. The odd, rambling letters his father sent home before he died. The jovial mother who started dating too soon after his father's death. A boy who appeared one night when George was lonely, then told him secrets he didn't want to know. How no one believed this new friend was real and that he was responsible for the bad

things that were happening. Terrified by all that he has forgotten, George struggles to remember what really happened in the months following his father's death. Were his ominous visions and erratic behavior the product of a grief-stricken child's overactive imagination? Or were his father's colleagues, who blamed a darker, more malevolent force, right to look to the supernatural as a means to end George's suffering? Twenty years later, George still does not know. But when a mysterious murder is revealed, remembering the past becomes the only way George can protect himself--and his young family. A psychological thriller in the tradition of Donna Tartt's *The*

Prophetic Lament

A Call for Justice in Troubled Times *InterVarsity Press*

The American church avoids lament. But lament is a missing, essential component of Christian faith. Soong-Chan Rah's prophetic

exposition of the book of Lamentations provides a biblical and theological lens for examining the church's relationship with a suffering world. Hear the prophet's lament as the necessary corrective for Christianity's future.

Fortunate Son

Selected Essays from the Lone Star State *University of New Mexico Press*

Rick Bass's *Fortunate Son* is a literary tour of the Lone Star State by a native Texan of exceptional talent. The essays encompass a Texas that is both lost and found, past and present. The stories reach from Galveston Bay to the Hill Country outside Austin, and from Houston in the 1960s to today. They

are bound together by a deep love and a keen eye for the land and its people and by an appreciation for what is given, a ruefulness for what is lost, and a commitment to save what can be saved. "This is a journalist's Texas scrapbook, then: a firefighting story, a musical pilgrimage, a ramble in Texas's tiniest public wilderness (one of only five in the entire state). Fishing with my father and uncle on a lake that is partly in Texas and partly in Louisiana; flying around the borders of Texas—usually defined by water, a resource that will vanish in much of the state within our lifetime; hanging out at my parents' cattle farm down near Goliad; reading the work of

Texans before me.”—from the
