A telling examination of the relationship between society, money and morality, "Dr Thorne" (1858) is enduringly popular for Trollope's affectionate depiction of rural English life and his deceptively simple portrayal of human nature.

Have read and thoroughly enjoyed the first two of the Barsetshire Chronicles but Dr Thorne, the

third in the series, I gave up on. I found the main characters thoroughly unengaging, they came across as almost two dimensional, cardboard cut-out stereotypes rather than Trollope's usual more rounded, complex, mixed up and human characters.
