The Book Of The Mad

Book of the Mad is set in three alternate versions of the same city - Paradis, Paradise, Pardys. One is a post apocalyptic wasteland where incest is encouraged, there is no sun, the river is a poison that is served up in bars, and a pair of murderous twins kills with abandon (and apparently no consequences).

This is a wonderfully written fantasy book that introduces and interconnects three worlds. It is the story of true madness but also the frequent real lucidity of people who think themselves mad, and the resultant terrifying delusions they weave around themselves and often their real helpers and the reality of many of their tormentors.
