Limping Through Life, A Farm Boy's Polio Memoir. \$22.95. By Jerry Apps. Polio was epidemic in the United States in 1916. By the 1930s, quarantines and school closings were becoming common, as isolation was one of the only ways to fight the disease. The Salk vaccine was not available until 1955; in that year, Wisconsin's Fox River valley had more polio cases per capita than anywhere in the United States.

Limping through life on the road.

First Time Road Warrior | Limping through life on the road.

Limping refers to any type of difficulty that occurs while walking. Limping can be considered to be a form of walking that favors the use of one leg over another and is most commonly due to diseases of or damage to the legs and feet, including all of the structures such as muscles, bones, joints, blood vessels, and nerves that make up the lower extremities.
