Review of HNC Computing. I recently posted information about the planned review of a number of Higher National awards in Computing. I'm pleased to let you know that we're commencing this large development by reviewing HNC Computing. We plan to update five HN qualifications in total but it makes sense to commence with the HNC because this forms the first year of the HNDs.

But it's an important stage in development, if we do decide to proceed, because it outlines the size and nature of the required

work. The development would also let us revisit the existing HNC Data Analytics, which has been available since 2014 but has very low uptake. Any new award would replace that qualification.
