New Politics of Abortion | The Nation

PIP: Paradoxically, as Americans became increasingly pro-choice, 2 anti-abortion Presidents were elected to serve for 12 years and pro-life forces captured the domestic agenda by overhauling the traditionally libertarian Republican party. This occurred because Republican analysts saw that the Democratic New Deal coalition was cracking, the traditionally conservative south and west began to control more seats in the House of Representatives, and Americans were becoming more affluent and, thus ...

The politics of abortion: a historical perspective

When the US Supreme Court legalised abortion on January 22, 1973, American politics entered a new phase. Abortion became one of the most contentious issues, dominating many election campaigns. Less...

The politics of abortion - BBC News

Never Rarely Sometimes Always makes the politics of women's reproductive rights personal, as two friends travel from small-town Pennsylvania to New York City to terminate a pregnancy.

Never Rarely Sometimes Always makes politics of abortion ...

The legalization of abortion in the United States by the Supreme Court in 1973 bypassed the political process in the majority of the states. Since then, however, political controversy and agitation in relation to abortion has become nationwide. From largely Catholic-based opposition, it has grown to encompass religious fundamentalists and to be a major part of the New Right's agenda.

Politics and abortion

Reproductive health and abortion are highly politicized issues both on global and national levels, and are subject to continuous contestations arising from questions about gender and equity, human rights, morality, religion, and cultural norms.
