### **Finding Lasting Victory Over Sin** *Baker Books*

Founder of Teen Challenge Shows How to Overcome Persistent Sins This is David Wilkerson's capstone teaching, poured out from a heart that discovered the power God has given his people to triumph over sin. Through Wilkerson's expert ability to blend teaching with personal application, he shows that the key to defeating life-controlling habits is found in one thing: the new covenant God enacted with his people. In today's era of pop psychology, most Christians battle temptation and sin through self-help techniques or gritty self-will. Even Wilkerson, through decades of ministry that led hundreds of thousands to salvation and deliverance, struggled to know true peace as he battled his own "besetting sins." Determined to find victory, Wilkerson came to grasp the stunning reality that the vast love of God provides the spiritual resources believers need to obey his every command. Gathered from some of his most prominent sermons, this is one of Wilkerson's most powerful teachings--one that will redeem countless lives into the life-giving experience of purity.

### **Life-Study of Revelation** *Living Stream Ministry*

In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we

should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

### **Revival or We Die**

#### **A Great Awakening is Our Only Hope** *Destiny Image Publishers*

On the brink of collapse, our nations only hope is a visitation of God's power and presence. What will heal the deep racial, social, and political divisions that are tearing us apart? How can we stop the evil of human trafficking? What can turn the rising tide of opioid addiction? What will cure the epidemic of fatherless

homes? Man-made laws and policies don't hold the answers. Social programs and initiatives fall hopelessly short. There is no political solution. We must have divine visitation. We must have awakening. We must have revival. In *Revival or We Die*, respected biblical scholar, bestselling author, and radio host, Dr. Michael Brown calls the American Church back to God and His Kingdom purposes. He presents a prophetic state of the union address, offering a candid look at the United States and revealing why our only hope is a true spiritual awakening. Written with the same passion and zeal that characterized his early books, *How Saved Are We?* and *Whatever Happened to the Power of God?*, Dr. Brown issues a fresh clarion call to every true believer in this generation. ...God sees the condition of our souls, how we have exchanged professionalism for the anointing, how we have traded dependence on the Spirit for fleshly endeavors, how we have substituted a carnal business approach for our first love devotion. Now is the time to awaken! If we are going to save our nation, the American Church must Rediscover the lost Word of God. Restore the fear of the Lord by catching a revelation of divine judgment and calling the Body to holiness. Rekindle the fire of first-love zeal and simple devotion to Jesus. Reignite a hunger for the all-consuming Spirit of God. The stirring message of this book is what every Christian must hear at this crucial moment. Our nation is at a tipping point, and you can play a pivotal role in the mighty revival that God longs to bring. Are you willing?
