Anxiety holds you back from intimacy When you're seized by fear and panic, you may not want to be physically or emotionally close to your partner. And for women who have anxiety from past trauma,...

How Anxiety Hurts Your Sex Life | Health.com

Human sexuality is the way people experience and express themselves sexually. This involves biological, erotic, physical, emotional, social, or spiritual feelings and behaviors. Because it is a broad term, which has varied with historical contexts over time, it lacks a precise definition. The biological and physical aspects of sexuality largely concern the human reproductive functions ...
