The Pocket Guide to Sales for Financial Advisors *Ata Press*

Selling is as old as civilization itself. Put in the simplest of terms, selling is the exchange of goods and services for something of value. To financial advisors, however, the sale is often seen in a negative light, and many cringe at the word "sell." Interestingly, the same advisors who shy away from the concept of selling are often those who find themselves selling every single day! Sometimes they're even participating in the selling process multiple times throughout the day--and they may not realize it. Asking for client referrals, developing strategic alliances, seeking and talking with new prospects are all obvious parts of the selling process, but selling happens every time you remind a client why it's a good choice to do business with you, too. The fact is that most CFAs(R), CFPs(R), CPAs, and other professionals did not obtain these titles because deep down they really wanted to be in sales. Most times, their interests tend more toward data, analysis, and more solitary orientations. Selling is probably the last thing those who entered these fields were thinking of doing. They may not have considered the "people" aspect of their chosen profession; the aspect that involves sales. For this reason, and some others, turning into a salesperson seems like a negative, degrading thing. Many advisors will conjure up the picture of the slimy used-car sales guy. It's time to recognize selling as the valuable activity that it is. It is a way to: Let people know who you are and what you do well. Get your message out to those who need it. Promote your planning process, wealth management services, or investment expertise. Use your relationship skills to close new business. Take your business to the next level. If you want to grow your business, the bottom line is that you--or someone on your team--need to sell, and to sell well. This book will offer guidance on how you can sell in a comfortable and effective manner.

The Psychology of Selling

How to Sell More, Easier, and Faster Than You Ever Thought Possible *Thomas Nelson Inc*

Brian Tracy, one of the top professional speakers and sales trainers in the world today, found that his most important breakthrough in selling was the discovery that it is the “Psychology of Selling” that is more important than the techniques and methods of selling. Tracy's classic audio program, *The Psychology of Selling*, is the best-selling sales training program in history and is now available in expanded and updated book format for the first time. Salespeople will learn: “the inner game of selling” how to eliminate the fear of rejection how to build unshakeable self-confidence Salespeople, says Tracy, must learn to control their thoughts, feelings, and actions to make themselves more effective.

Conversations That Win the Complex Sale: Using Power Messaging to Create More Opportunities, Differentiate your Solutions, and Close More Deals *McGraw Hill Professional*

Win more deals with the perfect sales story! “Power Messaging is a foundational element in our global marketing campaigns and sales training programs. We believe the concepts are core to engaging in customer conversations that are focused on their outcomes and what they want to achieve.” —Karen Quintos, CMO and SVP, Dell Inc. “The concepts outlined in this book are critical skills to building a world-class presales organization.” —Ken Hamel, Senior Vice President, Global Solutions and Presales, SAP “Our new messaging, using the approaches presented in this book, is great and is being widely used by our sales team. We’ve never had a year end sales meeting with content that was met with such widespread acceptance and enthusiasm.” —Jerry D. Cline, Senior Vice President, Retail Sales and Marketing, AmerisourceBergen Drug Company “The best salespeople sit across the table and make change easy for their customer by creating a succinct story and vision for what to change, how to change it, and how it will impact customer results. An enterprise focus on sales messaging, using the concepts in this book, is the hidden secret to driving incremental sales productivity and overwhelming customer success!” —Ken Powell, Vice President, Worldwide Sales Enablement, ADP “The Power Messaging techniques in this book are the foundation of how our marketing team creates our sales messages, as well as the process our field sales teams use for delivering that message in a unique and compelling way. At Kronos our results are a reflection of the power of the tool.” —Aron Ain, CEO, Kronos About the Book: In today's highly competitive world of complex sales, commoditization of your brand is one of the greatest dangers. You must differentiate yourself from the competition—or you will lose out. And the way to do that is through customer engagement. Rather than sell your own corporate story and brand message, you need to tell customers their story—the one in which they are the heroes and they achieve success. Erik Peterson and Tim Riesterer have been developing and honing their Power Messaging sales technique for more than 20 years, and now they reveal all their secrets in *Conversations That Win the Complex Sale*. Presenting a catalog of facts or playing 20 questions with prospective customers is the surest way to lose the sale. Peterson and Riesterer provide the tools you need to recraft your message into a compelling story that wins more deals. With *Conversations That Win the Complex Sale*, you'll learn how to: Differentiate yourself from the competition by finding your “Value Wedge” Avoid parity in your value propositions by creating “Power Positions” Create a message that can literally

double the number of deals you close Spike customer attention and create “Wow” in your conversations Prove all your claims without resorting to lists of boring facts and statistics Your competitors are out there telling their own corporate story—a story customers don’t want to hear. Now is the time to seize the moment. This book is the one and only source you need to reframe your sales story and turn the tables on the competition by fully engaging their would-be customers. Conversations That Win the Complex Sale helps you create and deliver messages that customers care about, giving your brand the clear edge in today’s crowded markets.

SPIN® -Selling Routledge

True or false? In selling high-value products or services: 'closing' increases your chance of success; it is essential to describe the benefits of your product or service to the customer; objection handling is an important skill; open questions are more effective than closed questions. All false, says this provocative book. Neil Rackham and his team studied more than 35,000 sales calls made by 10,000 sales people in 23 countries over 12 years. Their findings revealed that many of the methods developed for selling low-value goods just don’t work for major sales. Rackham went on to introduce his SPIN-Selling method. SPIN describes the whole selling process: Situation questions Problem questions Implication questions Need-payoff questions SPIN-Selling provides you with a set of simple and practical techniques which have been tried in many of today’s leading companies with dramatic improvements to their sales performance.

The 10X Financial Advisor

Your Blueprint for Massive and Sustainable Growth

Most Financial Advisors fail to run their practice like a business and consequently never live up to their full potential. Even worse they find themselves trapped by the demands of their clients and unable to lift the proverbial ceiling on their income. This book will take you on a journey through the proprietary Quantum Leap Success Model built to help financial advisors achieve massive and sustainable growth. So, you want to be a million-dollar producer or dare I say it, a multimillion-dollar producer. How do you get there? The simple answer is that you need a recipe. Many financial advisors toil in mediocrity for years haphazardly trying different ways to jump-start their business. They forge their path forward by feeling, or even worse by trial and error. They waste time, effort, and money, chasing every new idea, thinking that this time will be different. This time they will become the success that they always dreamed that they could be. Unfortunately, time and time again, they find themselves stuck in the cohort of the average. The good news is that you do not have to be average

anymore. There is a model to build just about everything. If you want to build a house, you would be out of your mind to proceed without a blueprint. If you want to build a business, you can build a plan emulating the world's most successful companies. There is absolutely no difference in our business. If you want to be a financial advisor superstar, The 10X Financial Advisor provides you with a blueprint for success. In almost every profession, there is a cohort of people that make up the best of the best, la creme de la creme. The rest of the surrounding people are left looking in with wonder. How did they achieve such fantastic success? How did they get to such an extraordinary level of talent? You could very well be talking about the computer scientist that can code ten times faster and more proficient than their peers or the salesperson that earns 10x more than the others. Almost everywhere you look, there are people who have broken out of the mold of mediocrity and go on to do something truly great within their respective spheres. How about your company? At most financial firms, there is one, or perhaps a few individuals who are ten times more successful than all the other advisors. What are they doing differently than you? Has it ever felt like you work just as hard, but do not even come close to the same output? The 10X Financial Advisor will provide you with a clear, simple to follow, formulaic approach to massively growing and scaling your financial services business. By the time you finish this book you will possess the blueprint that will allow you to transform your practice and turn it into a thriving and sustainable business. You can be the one in your company that everyone else is envious of and looks up to. You will possess the knowledge to accomplish the very pinnacle of success within financial services. You can become a card-carrying member of the 10X club.

Praise for the Pareto System, Featured in Breakthrough Business Development. "I am just beside myself on the results gathered so far from instituting the Pareto System. I use an agenda for meetings now and have formulated a standard package given to new clients. Already I have sent out twenty thank-you cards to new referrals. I even got a referral from a referral if that makes sense. Some clients didn't know that I was still expanding my business. I am also finding advocates that I didn't classify as such. Opening twenty accounts in this short time span is amazing but already I have another ten leads in the pipeline. You guys were right, it does work." "We have been building client relationships for 45 years... Pareto Systems successfully helped us to pause and then guided us through the process of defining the appropriate business structure and systems which will strengthen and enhance our best client relationships. We are now focusing on a comprehensive, systematized program for select clients. The results have been amazing-client satisfaction is way up and so are revenues."

In this short and powerful book, network marketing experts Ray and Jessica Higdon teach you proven strategies for marketing and prospecting that allow you to navigate your way through the social media maze and achieve freakishly effective results for your business. Social media has been called the "gold rush" of the 21st Century--a new, uncharted world where people in virtually every industry have found fame and fortune. This includes Network Marketing. The trouble is, as with the gold rush of the mid-1800s, the wild west atmosphere has left a lot of network marketers feeling lost and confused. Worse still, the short-term tactics being used cause unintentional harm to the reputation of the network marketing profession. In this book you will learn what truly works when it comes to using social media in your network marketing business including: The types of social media posts you should be focusing on and the things you must avoid sharing What you should and should not include as part of your profile A four-step process for creating freakishly effective Facebook lives The right way to reach out to someone on social media and what to say How to follow up when people "disappear" What to do if you've been

doing it all wrong! And so much more... If you are ready to use social media to build your network marketing business, and you want to do it the right way, this book is a must-read. Get it today!

The Client-centred Financial Adviser

Are you ready to discover the secret to thriving in today's fee-based financial services environment? The old transactional, sales-based approach is fast becoming defunct. The real key to outstanding success as a financial adviser is helping your clients get more of what they really want from life. John Dashfield shares a revolutionary new paradigm in psychology that clearly demonstrates that your state of mind is the most significant factor in creating a growing, prosperous and sustainable 'Client-centred' practice. This book will help you build exceptionally strong, high-trust and mutually profitable client relationships; conduct powerful client conversations; become comfortable and effective when discussing fees; effectively engage new clients and re-engage existing ones; eliminate stress and increase your everyday enjoyment and fulfilment.

Your Clients for Life

The Definitive Guide to Becoming a Successful Financial Life Planner *Dearborn Trade Publishing*

The financial planning profession is undergoing a transformation from the historical approach of transactions and straight asset accumulation to an integrated financial and life planning strategy for customers. Your Clients for Life: The Definitive Guide to Becoming a Successful Financial Life Planner is a roadmap that financial planners can use to understand how to make the connection between financial planning and life planning. Its premise is that advisors of the future will need to deal more with money as an element of a client's life that cannot be viewed alone.

Heroes of Horror

The essential handbook integrating fear and horror into D&D play, this guide provides everything Dungeon Masters need to run a horror-oriented campaign or integrate elements of creepiness and tension into their existing campaigns.

Advising the Ultra-Wealthy

A Guide for Practitioners *Springer Nature*

This book, designed to be a guide for practitioners who wish to advise ultra-wealthy families, focuses on the difference between the ultra-wealthy and the 'merely' wealthy. With this in mind, the chapters devote little time to issues on which most financial advisors spend most of their time—retirement planning, IRA accounts, home mortgages, planning for college tuition, or financial planning in general. Practitioners working with the ultra-wealthy will instead need to grapple with complex tax issues, matters associated with the ever-changing world of trusts, the special world of the family office, money managers that are not available to anyone who is not an accredited investor or who enforce very high minimum account sizes, the family dynamics and human capital issues that destroy both families and wealth, and so on, all of which will be covered on a global scale in this book.

Unlimited Selling Power

How to Master Hypnotic Skills *Penguin*

Provides salespeople with information on hypnotic techniques and how to use them in sales presentations and script books to win the customer's trust and make sales.

I Am the Change**Barack Obama and the Future of Liberalism** *Harper Collins*

Is Barack Obama the savior of liberalism—or the last liberal president? Charles R. Kesler's spirited analysis of Obama's political thought shows that he represents either a new birth of liberalism—or its demise. Who is Barack Obama? Though many of his own supporters wonder if he really believes in anything, Charles R. Kesler argues that these disappointed liberals don't appreciate the scope of the president's ambition or the long-term stakes for which he is playing. Conservatives also misunderstand Obama, according to this leading conservative scholar, educator, and journalist. They dismiss him as a socialist, hopelessly out of touch with the American mainstream. The fringe Right dwells on Obama's foreign upbringing, his missing birth certificate, Bill Ayers's supposed authorship of his books. What mainstream and fringe have in common is a stubborn underestimation of the man and the political movement he embodies. Reflecting a sophisticated mix of philosophy, psychology, and history, and complemented by a scathing wit, *I Am the Change* tries to understand Obama as he understands himself, based largely on his own writings, speeches, and interviews. Kesler, the rare conservative who takes Obama seriously as a political thinker, views him as a gifted and highly intelligent progressive who is attempting to become the greatest president in the history of modern liberalism. Intent on reinvigorating the liberal faith, Obama nonetheless fails to understand its fatal contradictions—a shortsightedness that may prove to be liberalism's undoing. Will Obama save liberalism and become its fourth great incarnation, following Woodrow Wilson, Franklin D. Roosevelt, and Lyndon B. Johnson? Or will he be derailed by his very successes? These are the questions at the heart of Kesler's thoughtful and illuminating book.
