flatland Flashcards and Study Sets | Quizlet

6. Do you think Abbott created Flatland in order to satirize modern society or to model a utopian world? Explain your answer. I think that Abbott created Flatland to satirize modern society because polygons in a higher position in society get more privileges and are more respected than a low-class polygon. This is the way things worked in the Victorian era, because lower-class people had to work more and got lower education.
