The Last Weekend *Start Publishing LLC*

Vasilis “Billy” Kostopolos is a Bay Area Rust Belt refugee, failed sci-fi writer, successful barfly and, since the exceptionally American zombie apocalypse, an accomplished “driller” of reanimated corpses. There aren’t many sane, well-adjusted human beings left in San Francisco, but facing the end of the world, Billy’s found his vocation trepanning the undead, peddling his one and only published short story, and drinking himself to death. Things don’t stay static for long. Billy discovers that both his girlfriends turn out to be homicidal revolutionaries. He collides with a gang of Berkeley scientists gone berserker. Finally, the long-awaited “Big One” shakes the foundation of San Francisco to its core, and the crumbled

remains of City Hall can no longer hide the awful secret lurking deep in the basement. Can Billy unearth the truth behind America’s demise and San Francisco’s survival—and will he destroy what little’s left of it in the process? Is he legend, the last man, or just another sucker on the vine? Nick Mamatas takes a high-powered drill to the lurching, groaning conventions of zombie dystopias and conspiracy thrillers, sparing no cliché about tortured artists, alcoholic “genius,” noir action heroes, survivalist dogma, or starry-eyed California dreaming. Starting in booze-soaked but very clear-eyed cynicism and ending in gloriously uncozy catastrophe, *The Last Weekend* is merciless, uncomfortably perceptive, and bleakly hilarious.

The Social History of Crime and Punishment in America

An Encyclopedia *SAGE Publications*

Several encyclopedias overview the contemporary system of criminal justice in America, but full understanding of current social problems and contemporary strategies to deal with them can come only with clear appreciation of the historical underpinnings of those problems. Thus, this five-volume work surveys the history and philosophy of crime, punishment, and criminal justice institutions in America from colonial times to the present. It covers the whole of the criminal justice system, from crimes, law enforcement and policing, to courts, corrections and human services. Among

other things, this encyclopedia: explicates philosophical foundations underpinning our system of justice; charts changing patterns in criminal activity and subsequent effects on legal responses; identifies major periods in the development of our system of criminal justice; and explores in the first four volumes - supplemented by a fifth volume containing annotated primary documents - evolving debates and conflicts on how best to address issues of crime and punishment. Its signed entries in the first four volumes--supplemented by a fifth volume containing annotated primary documents--provide the historical context for students to better understand contemporary criminological debates and the contemporary shape of

the U.S. system of law and justice.

Dix Dodd Mysteries Box Set 1 *Norah Wilson*

This box set contains Books 1-3 in the Dix Dodd Mystery Series. They include: The Case of the Flashing Fashion Queen Tired of getting no respect at the big PI firm where she's worked for years, Dix Dodd has hung out her own shingle at the ripe age of 40. There are plenty of cheating husbands to go around, and Dix has a knack for busting them. Problem is, it doesn't always pay so well. Conscious that the guys back at the old firm are laying bets about how soon she'll come crawling back, she figures she's got six months to make a go of it. The going gets even tougher when she hires Dylan Foreman. But when he told

her about getting fired from his law firm and disbarred for putting common decency before the firm's interests, she hired him on the spot. In addition to being smart, he's gorgeous enough to remind her she's a woman. And at 28, young enough to make her feel like a total cougar. Things start looking up when Dix gets hired by millionaire businessman Ned Weatherby's wife Jennifer Weatherby, to tail Ned 24/7 for a week, for a cool ten grand. Easy-peasy, right? Wrong! The job lands Dix in the middle of a murder investigation - with her as the prime suspect and her arch-enemy Detective Richard Head (a.k.a., Dickhead, one of the cheating husbands she'd nailed) gunning for her. Dix will need all her ingenuity, as well as the help of Dylan and her oddball cast of

supporters to extricate herself from this one. Family Jewels Dix Dodd rides again! This time, to rescue her mother. A resident of a Florida retirement community, Katt Dodd is a person of interest in not only a rash of jewel thefts, but in the disappearance of her boyfriend, Frankie Morell. Dix, the handsome-as-sin Dylan, and the irrepressible (okay, rude) Mrs. P head to Florida to solve the case of the Family Jewels before Dix's mother gets railroaded. Of course, hilarious hijinks ensue when Dix goes into the Wildoh Retirement Complex (Motto: We provide the Wild, you supply the Oh!) undercover as Katt's erotica-writing daughter. Multiply the fun when Dylan gets himself hired as the Wildoh's newest employee, a slightly dim-witted security-cum-

maintenance man. Death by Cuddle Club Vindication is Dix's when her nemesis Detective Richard Head (aka Dickhead) shows up at her door, asking for her help on a delicate matter. Delicate because he can't turn to his own PD without admitting he's a member of a newly opened Cuddle Club. There have been a couple of deaths of Club members, ostensibly of natural causes, but Detective Head wants to take a closer look. The task for Dix? Infiltrate the Cuddle Club, ferret out the truth, and report back to Dickhead. Simple. Well, except for the fact that Dix is about as cuddly as a porcupine. Good thing for her that her assistant, the handsome, much younger and infinitely more cuddle-friendly Dylan Foreman, is eager to go under the covers...er...under cover

with her. Head was right, all is not as it seems at the club. As Dix has always maintained, cuddling can be dangerous to your health. In fact, it can be downright deadly.

In the Ruins *iUniverse*

Parole Officer Maria Peres confronts Brooklyn's volatile streets and disturbing incidents in her own past while hunting a parole violator who has committed a particularly heinous crime. More profoundly, the novel explores a young woman's search for a meaningful life in a flawed world where morality is relative and terrible acts are committed gratuitously. The poetry of one of the novel's characters provides a further

level of exploration. While ostensibly narrating the Aztec's fall to the conquistadors, the verse, by suggesting a parallel between the historical characters in the poem and the characters in the novel itself, leads to reflections on the ambiguous nature of individuality and its relationship to the past. This inward journey uses flashbacks and time shifts to create an ambiance of simultaneity as well as a portrait of the city—a city that emerges as one of the novel's unifying themes.
