On the one hand, investment law and arbitration foster stability and predictability, whereas water law needs adaptability and change. A balance between these two areas of law is hard to reach: domestic water regulators may not know that their decisions may entail the breach of international agreements, and hence fall under the scrutiny of arbitral tribunals.

The Barbican Estate is a residential complex of around 2,000 flats, maisonettes, and houses within the City of London in Central London, in an area once devastated by World War II bombings and densely populated by financial institutions. Originally built as rental housing for middle and upper-middle class professionals, it remains to this day an upmarket residential estate.

Barbican Estate - Wikipedia

The investment regime emerges from the substantive obligations expressed in investment treaties and customary international law, and their interpretation and application by investment treaty tribunals in particular disputes. The course offers a graduate level treatment of investment law and investment treaty arbitration.
