The Consumer Decision Journey Mckinsey

Actually, the decision-making process is a more circular journey, with four primary phases representing potential battlegrounds where marketers can win or lose: initial consideration; active evaluation, or the process of researching potential purchases; closure, when consumers buy brands; and postpurchase, when consumers experience them (Exhibit 2).

The consumer decision journey - McKinsey & Company Marketers have, therefore, become laser-focused on

understanding what drives consumer decisions and influencing that journey. McKinsey experts saw this growing need to better understand shifting consumer behavior nearly ten years ago, when we proposed a new approach called the consumer decision journey. It was a significant change in thinking that challenged the long-held concept of the sales funnel, where the decision path narrows in a linear way, from starting with awareness to ending with ...

Consumer Decision Journey Mapping - Mighty Roar

This tipping of the balance of power in favor of consumers has been evident for years. In 2009, we declared that the traditional "funnel" model—in which consumers began with a set number of brands in mind and whittled them down until they decided what to buy—had been usurped by what we called "the consumer decision journey."
