David Copperfield Summary - eNotes.com

The novel features the character David Copperfield, and is written in the first person, as a description of his life until middle age, with his own adventures and the numerous friends and enemies he meets along his way. It is his journey of change and growth from infancy to maturity, as people enter and leave his life and he passes through the stages of his development. It is often described as his masterpiece, "the triumph of the art of Dickens", which marks a turning point in his work, the poi
