Her Lover *Penguin Modern Classics*

Handsome, worldly and intelligent, Solal holds a position of enviable power in 1930s Geneva. But as Under-Secretary-General of the League of Nations, he has become bitterly disillusioned by international affairs and the self-serving people who surround him. His one hope for redemption is through love - and he embarks on the audacious seduction of Ariane, the beautiful, daydreaming wife of a dull-witted, social-climbing employee of the League. In Her Lover, Albert Cohen created a world humming

with the many vivid and eccentric voices of its wonderfully observed characters. Brilliantly inventive and baroquely detailed, this magnificent novel is a merciless satire of middle-class manners and ambitions, and of the Byzantine machinations of global politics.

Book of My Mother *Archipelago*

Shortly after Albert Cohen left France for London to escape the Nazis, he received news of his mother's death in Marseille. Unable to mourn her, he expressed his grief in a series of moving pieces for *La France libre*, which later grew into *Book of My Mother*. Achingly honest, intimate, and moving, this love song is a tribute to all mothers. Cohen himself expressed, "I shall not have written in vain if one of you, after reading my hymn of death, is one evening gentler with his mother because of me and my mother." From the Trade Paperback edition.

The Burden of Responsibility

Blum, Camus, Aron, and the French Twentieth Century *University of Chicago Press*

Using the lives of the three outstanding French intellectuals of the twentieth century, renowned historian Tony Judt offers a unique look at how intellectuals can ignore political pressures and demonstrate a heroic commitment to personal integrity and moral responsibility unfettered by the difficult political exigencies of their time. Through the prism of the lives of Leon Blum, Albert Camus, and Raymond Aron, Judt examines pivotal issues in the history of contemporary French

society—antisemitism and the dilemma of Jewish identity, political and moral idealism in public life, the Marxist moment in French thought, the traumas of decolonization, the disaffection of the intelligentsia, and the insidious quarrels rending Right and Left. Judt focuses particularly on Blum's leadership of the Popular Front and his stern defiance of the Vichy governments, on Camus's part in the Resistance and Algerian War, and on Aron's cultural commentary and opposition to the facile acceptance by many French intellectuals of communism's utopian promise. Severely maligned by powerful critics and rivals, each of these exemplary figures stood fast in their principles and eventually won some measure of personal and public redemption. Judt constructs a

compelling portrait of modern French intellectual life and politics. He challenges the conventional account of the role of intellectuals precisely because they mattered in France, because they could shape public opinion and influence policy. In Blum, Camus, and Aron, Judt finds three very different men who did not simply play the role, but evinced a courage and a responsibility in public life that far outshone their contemporaries. "An eloquent and instructive study of intellectual courage in the face of what the author persuasively describes as intellectual irresponsibility."—Richard Bernstein, *New York Times*

Patagonian Hare

A Memoir *Atlantic Books*

The unforgettable memoir of 70 years of contemporary and personal history from the great French filmmaker, journalist and intellectual Claude Lanzmann Born to a Jewish family in Paris, 1925, Lanzmann's first encounter with radicalism was as part of the Resistance during the Nazi occupation. He and his father were soldiers of the underground until the end of the war, smuggling arms and making raids on the German army. After the liberation of France, he studied philosophy at the Sorbonne, making money as a student in surprising ways (by dressing as a priest and collecting

donations, and stealing philosophy books from bookshops). It was in Paris however, that he met Jean-Paul Sartre and Simone de Beauvoir. It was a life-changing meeting. The young man began an affair with the older de Beauvoir that would last for seven years. He became the editor of Sartre's political-literary journal, *Les Temps Modernes*—a position which he holds to this day—and came to know the most important literary and philosophical figures of postwar France. And all this before he was 30 years old. Written in precise, rich prose of rare beauty, organized—like human recollection itself—in interconnected fragments that eschew conventional chronology, and describing in detail the making of his seminal film *Shoah*, *The Patagonian Hare*

becomes a work of art, more significant, more ambitious than mere memoir. In it, Lanzmann has created a love song to life balanced by the eye of a true auteur.

Distant Transit

Poems *Archipelago*

From a groundbreaking Slovenian-Austrian poet comes an evocative, captivating collection on searching for home in a landscape burdened with violent history. At its core, *Distant Transit* is an ode to survival, building a monument to traditions and lives lost. Infused with movement, Maja Haderlap's *Distant Transit* traverses Slovenia's scenic landscape and violent history, searching for a sense of place within its ever-shifting boundaries. Avoiding

traditional forms and pronounced rhythms, Haderlap unleashes a flow of evocative, captivating passages whose power lies in their associative richness and precision of expression, vividly conjuring Slovenia's natural world--its rolling meadows, snow-capped alps, and sparkling Adriatic coast. Belonging to the Slovene ethnic minority and its inherited, transgenerational trauma, Haderlap explores the burden of history and the prolonged aftershock of conflict--warm, lavish pastoral passages conceal dark memories, and musings on the way language can create and dissolve borders reveal a deep longing for a sense of home.

Part guide, part memoir, part manual, in *In Your Prime* India Knight seeks to provide proper, weighty answers to the questions women are asking themselves now. definitive, much-needed guide to approaching middle age with confidence and panache. India Knight is the author of three previous novels: *My Life on a Plate*, *Don't You Want Me* and *Comfort and Joy*. The Memory Monster *Restless Books*

The controversial English-language debut of celebrated Israeli novelist Yishai Sarid is a harrowing, ironic parable of how we reckon with human horror, in which a young, present-day historian

becomes consumed by the memory of the Holocaust. Written as a report to the chairman of Yad Vashem, Israel's memorial to the victims of the Holocaust, our unnamed narrator recounts his own undoing. Hired as a promising young historian, he soon becomes a leading expert on Nazi methods of extermination at concentration camps in Poland during World War II and guides tours through the sites for students and visiting dignitaries. He hungrily devours every detail of life and death in the camps and takes pride in being able to recreate for his audience the excruciating last moments of the victims' lives. The job becomes a mission, and then an obsession. Spending so much time immersed in death, his connections with

the living begin to deteriorate. He resents the students lost in their iPhones, singing sentimental songs, not expressing sufficient outrage at the genocide committed by the Nazis. In fact, he even begins to detect, in the students as well as himself, a hint of admiration for the murderers—their efficiency, audacity, and determination. Force is the only way to resist force, he comes to think, and one must be prepared to kill. With the perspicuity of Kafka's *The Trial* and the obsessions of DeLillo's *White Noise*, *The Memory Monster* confronts difficult questions that are all too relevant to Israel and the world today: How do we process human brutality? What makes us choose sides in conflict? And how do we honor the memory of horror without becoming

consumed by it? Praise for *The Memory Monster*: "Award-winning Israeli novelist Sarid's latest work is a slim but powerful novel, rendered beautifully in English by translator Greenspan.... Propelled by the narrator's distinctive voice, the novel is an original variation on one of the most essential themes of post-Holocaust literature: While countless writers have asked the question of where, or if, humanity can be found within the profoundly inhumane, Sarid incisively shows how preoccupation and obsession with the inhumane can take a toll on one's own humanity.... it is, if not an indictment of Holocaust memorialization, a nuanced and trenchant consideration of its layered politics. Ultimately, Sarid both refuses to apologize for Jewish rage and condemns the nefarious forms it

sometimes takes. A bold, masterful exploration of the banality of evil and the nature of revenge, controversial no matter how it is read.” —Kirkus Reviews, Starred Review “[A] record of a breakdown, an impassioned consideration of memory and its risks, and a critique of Israel’s use of the Holocaust to shape national identity.... Sarid’s unrelenting examination of how narratives of the Holocaust are shaped makes for much more than the average confessional tale.” —Publishers Weekly “Reading *The Memory Monster*, which is written as a report to the director of Yad Vashem, felt like both an extremely intimate experience and an eerily clinical Holocaust history lesson. Perfectly treading the fine line between these two approaches, Sarid creates a haunting

exploration of collective memory and an important commentary on humanity. How do we remember the Holocaust? What tolls do we pay to carry on memory? This book hit me viscerally, emotionally, and personally. *The Memory Monster* is brief, but in its short account Sarid manages to lay bare the tensions between memory and morals, history and nationalism, humanity and victimhood. An absolute must-read.” —Julia DeVarti, Literati Bookstore (Ann Arbor, MI) “In Yishai Sarid’s dark, thoughtful novel *The Memory Monster*, a Holocaust historian struggles with the weight of his profession.... *The Memory Monster* is a novel that pulls no punches in its exploration of the responsibility—and the cost—of holding vigil over the past.” —Eileen Gonzalez,

"So delicious that it feels illicit . . . Raven Leilani's first novel reads like summer: sentences like ice that crackle

or melt into a languorous drip; plot suddenly, wildly flying forward like a bike down a hill." —Jazmine Hughes, The New York Times Book Review No one wants what no one wants. And how do we even know what we want? How do we know we're ready to take it? Edie is stumbling her way through her twenties—sharing a subpar apartment in Bushwick, clocking in and out of her admin job, making a series of inappropriate sexual choices. She is also haltingly, fitfully giving heat and air to the art that simmers inside her. And then she meets Eric, a digital archivist with a family in New Jersey, including an autopsist wife who has agreed to an open marriage—with rules. As if navigating the constantly shifting landscapes of contemporary sexual manners and racial politics weren't hard

enough, Edie finds herself unemployed and invited into Eric's home—though not by Eric. She becomes a hesitant ally to his wife and a de facto role model to his adopted daughter. Edie may be the only Black woman young Akila knows. Irresistibly unruly and strikingly beautiful, razor-sharp and slyly comic, sexually charged and utterly absorbing, Raven Leilani's *Luster* is a portrait of a young woman trying to make sense of her life—her hunger, her anger—in a tumultuous era. It is also a haunting, aching description of how hard it is to believe in your own talent, and the unexpected influences that bring us into ourselves along the way. "An irreverent intergenerational tale of race and class that's blisteringly smart and fan-yourself sexy." —Michelle Hart, *O: The Oprah*

Diary of a Provincial Lady *Pan Macmillan*

E. M. Delafield's largely autobiographical novel takes the form of a journal written by an upper-middle-class lady living in a Devonshire village. Written with humour, this charming novel is full of the peculiarities of daily life. The Provincial Lady of the title attempts to avoid disaster and prevent chaos from descending upon her household. But with a husband reluctant to do anything but doze behind *The Times*, mischievous children and trying servants, it's a challenge keeping up appearances on an inadequate income, particularly in front of the infuriating and haughty Lady Boxe. As witty and delightful today as

when it was first published in 1930, *Diary of a Provincial Lady* is a brilliantly observed comic novel and an acknowledged classic. This beautiful Macmillan Collector's Library edition features an introduction by author and journalist Christina Hardyment. Designed to appeal to the book lover, the Macmillan Collector's Library is a series of beautiful gift-editions of much loved classic titles. Diplomacy and the Modern Novel

France, Britain, and the Mission of Literature *University of Toronto Press*

Between 1900 and 1960, many writers in France and Britain either had parallel careers in diplomatic corps or frequented diplomatic circles: Paul Claudel, Albert Cohen, Lawrence Durrell, Graham Greene, John le Carré, André Malraux, Nancy Mitford, Marcel Proust, and others. What attracts writers to diplomacy, and what attracts diplomats to publishing their experiences in memoirs or novels? Like novelists, diplomats are in the habit of describing situations with an eye for atmosphere, personalities, and looming crises. Yet novels about diplomats, far from putting a solemn face on everything, often

devolve into comedy if not outright farce. Anachronistic yet charming, diplomats take the long view of history and social transformation, which puts them out of step with their times – at least in fiction. In this collection of essays, eleven contributors reflect on diplomacy in French and British novels, with particular focus on temporality, style, comedy, characterization, and the professional liabilities attached to representing a state abroad. With archival examples as evidence, the essays in this volume indicate that modern fiction, especially fiction about diplomacy, is a response to the increasing speed of communication, the decline of imperial power, and the ceding of old ways of negotiating to new.

The Boat in the Evening *Peter Owen Publishers*

Earning its author a third nomination for the Nobel Prize, this tale centers on a crane colony arriving at its breeding ground to play out a delicate drama, ending with the rarely observed ceremony of the ritual dance. All is observed by a transfixed child who has frozen into his background and become a piece of nature himself. With a kind of cinematic impressionism, this novel voyages back to episodes from childhood, adolescence, and maturity as well as conducts speculative forays into the unknown. Unfolding in a series of delicate sketches that record the changing moods of human experience, this story is at once pervaded by a sense of melancholy and a sensuous

appreciation of nature. A profound and beautiful book, it is the summation of a literary artist's first-hand experience and observation of rural life—of landscape and people.

Egalia's Daughters

A Satire of the Sexes Seal Press (CA)

Welcome to the land of Egalia, where gender roles are topsy-turvy as "wim" wield the power and "menwim" light the home fires. This re-telling of the prototypical coming-of-age novel will have readers laughing out loud and wondering who should prevail: poor Petronius, who wants more than anything to cruise the oceans as a seawom; or his powerful and protective mother Director Bram, who rules her family with an authoritarian righteousness. But for better or for worse, as the masculist party begins to organize and protest, the landscape of Egalia threatens to change forever. More than just a humorous romp, Egalia's

Daughters poses the provocative question of whether the culprit in gender subjugation is gender itself or power—no matter who wields it.

Ask the Dust *Harper Collins*

Ask the Dust is a virtuoso performance by an influential master of the twentieth-century American novel. It is the story of Arturo Bandini, a young writer in 1930s Los Angeles who falls hard for the elusive, mocking, unstable Camilla Lopez, a Mexican waitress. Struggling to survive, he perseveres until, at last, his first novel is published. But the bright light of success is extinguished when Camilla has a nervous breakdown and disappears . . . and Bandini forever

rejects the writer's life he fought so hard to attain.

Paths to Contemporary French Literature, Volume 1

Transaction Publishers

Although the great French novelists of the last two centuries are widely read in America, there is a widespread notion that little of importance has happened in French literature since the heyday of Sartre, Camus, and the nouveau roman. Some might argue that even well read Americans are ignorant about what is happening in European literature generally. Certainly, there has never been so few translations of foreign books in the United States, or so little coverage of foreign writers. Curious American

readers need new, up-to-date information and analyses about what is happening elsewhere. *Paths to Contemporary French Literature* is a stimulating and much-needed guide to the major currents of one of the world's great literatures. This critical panorama of contemporary French literature introduces English-language readers to over fifty important writers and poets, many of whom are still little known outside of France. Emphasizing authors who are admired by their peers (as opposed to those with overnight reputations), John Taylor offers a compelling insider's view. The pioneering essays included in this book offer incisive analyses of the ideas motivating current writing and delve into a writer's or poet's entire output. Although some

names may be familiar (Marguerite Duras, Hélène Cixous, Philippe Jaccottet, Henri Michaux), the reader obtains fresh reappraisals of their seminal work. Especially noteworthy, however, are Taylor's lively introductions to many other key writers who either have not yet crossed the English Channel, let alone the Atlantic. Combating the notion that French literature is overtly intellectual, inaccessible, or interested only in formal experimentation, Taylor shows that many French writers are instead acutely inquisitive about the outside world, shrewd observers of reality, even very funny. Although not conceived as a reference book, the volume possesses some qualities of a reference work: a good bibliography, reliable dates and biographical facts.

Paths to Contemporary French Literature will be of interest to students of French literature and culture, literary scholars, and readers of contemporary fiction and poetry.

Marrano as Metaphor

The Jewish Presence in French Writing *Columbia University Press*

A sweeping examination of the Jewish presence in French literature from the sixteenth century to the present, *Marrano as Metaphor* explores the many shapes and forms in which Jews are perceived, spoken, and written about. Employing a wide spectrum of analytical methods from history, literary theory,

and psychoanalysis, renowned French scholar Elaine Marks opens new doors in the study of literature. In this lucid, far-reaching discussion, Elaine Marks works to illuminate the reality of Jewish presence, always maintaining her sensitivity to the persecutions that mar the history of this presence in France. Exploring the complexities of suffering and mourning, the nature of writing, representation, and identity, *Marrano as Metaphor* is a significant moment in the study of French literature.

Cahiers Albert Cohen n°28

Belle du Seigneur, cinquante ans : nouvelles approches *Iggybook*

En 1998, Les Cahiers Albert Cohen (n° 8) faisaient paraître un « numéro anniversaire » pour les trente ans de Belle du Seigneur. Pour saluer les cinquante ans du chef-d'oeuvre, ce numéro des Cahiers publie une série d'études sous l'intitulé « nouvelles approches ». Certaines complètent, prolongent et enrichissent des recherches entamées depuis longtemps sur des dimensions cardinales de l'oeuvre (la violence et le sacré, l'imaginaire sexuel, l'intertextualité, l'humour, l'ironie, le lexique de l'amour ou la poétique des incipit), d'autres explorent des thèmes inédits (l'ennui, la

figure du pervers narcissique, la mimicry des études postcoloniales) ou risquent des hypothèses nouvelles (faut-il postuler un « narrateur » dans *Belle du Seigneur* ?). Contributions de Carole Auroy, Baptiste Bohet, Jérôme Cabot, Valeria Dei, Marc Hersant, Antonia Maestrali, Anne-Marie Paillet, Alain Schaffner, Anaëlle Touboul, Joëlle Zagury...

The Serpent of Stars *Archipelago*

The Serpent of Stars (Le serpent d'étoiles, 1993; reprinted 1999 Grasset) takes place in rural southern France in the early part of the century. The novel's elusive narrative thread ties landscape to character to an expanse just beyond our grasp. The narrator encounters a shepherding family and glimpse by

glimpse, each family member and the shepherding way of life is revealed to us. The novel culminates in a large shepherds' gathering where a traditional Shepherd's Play—a kind of creation myth that includes in its cast The River, The Sea, The Man, and The Mountain—is enacted. The work's proto-environmental world view as well as its hybrid form—part play, part novel—makes *The Serpent of Stars* astonishingly contemporary. W.S. Merwin's "Green Fields" begins, "By this part of the century few are left who believe/in the animals for they are not there in the carved parts/of them served on plates and the pleas from slatted trucks..." This novel leaves the reader believing not only in the animals, but the terrain they are part of, the people who tend them,

and the life all these elements together compose.

Etudes sur Belle du seigneur, Albert Cohen

The Force Unleashed: Star Wars Legends *Del Rey*

“The Sith always betray one another. . . . I’m sure you’ll learn that soon enough.” The overthrow of the Republic is complete. The Separatist forces have been smashed, the Jedi Council nearly decimated, and the rest of the Order all but destroyed. Now absolute power rests in the iron fist of Darth Sidious—the cunning Sith lord better known as the former Senator, now Emperor, Palpatine. But more remains to be done. Pockets of resistance in the galaxy must still be defeated and missing Jedi accounted for . . . and dealt with. These crucial tasks fall to the Emperor’s ruthless enforcer, Darth Vader. In turn, the Dark Lord has groomed a lethal apprentice entrusted with a top-secret mission: to comb the galaxy and dispatch the last of his masters’ enemies, thereby punctuating

the dark side's victory with the Jedi's doom. Since childhood, Vader's nameless agent has known only the cold, mercenary creed of the Sith. His past is a void; his present, the carrying out of his deadly orders. But his future beckons like a glistening black jewel with the ultimate promise: to stand beside the only father he has ever known, with the galaxy at their feet. It is a destiny he can realize only by rising to the greatest challenge of his discipleship: destroying Emperor Palpatine. The apprentice's journeys will take him across the far reaches of the galaxy, from the Wookiee homeworld of Kashyyyk to the junkyard planet of Raxus Prime. On these missions, the young Sith acolyte will forge an unlikely alliance with a ruined Jedi Master seeking redemption and

wrestle with forbidden feelings for his beautiful comrade, Juno Eclipse. And he will be tested as never before—by shattering revelations that strike at the very heart of all he believes and stir within him long-forgotten hopes of reclaiming his name . . . and changing his destiny. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

The Politics of Economic Adjustment

International Constraints, Distributive Conflicts and the State

Princeton University Press

In the 1980s some developing countries

adopted orthodox market-oriented policies in response to international economic crises, others experimented with alternative programs, and still others failed to develop coherent adjustment strategies of any sort. Building on the case studies in *Economic Crisis and Policy Choice*, these essays offer comparative analysis of these divergent experiences with macroeconomic stabilization and structural adjustment. Barbara Stallings and Miles Kahler explore the external pressures on governments. Peter Evans and John Waterbury examine the role of the state in the adjustment process, Evans through the lens of earlier historical experience with economic restructuring, Waterbury by focusing on the politics of privatization. Joan Nelson

analyzes the politics of income distribution in the adjustment process, and Haggard and Kaufman investigate the political correlates of inflation and stabilization. A final essay assesses the prospects for combining market-oriented reforms with political democratization.

Book of My Mother *Archipelago*

Shortly after Albert Cohen left France for London to escape the Nazis, he received news of his mother's death in Marseille. Unable to mourn her, he expressed his grief in a series of moving pieces for *La France libre*, which later grew into *Book of My Mother*. Achingly honest, intimate, and moving, this love song is a tribute to all mothers. Cohen himself expressed, "I shall not have written in vain if one of you, after reading my hymn of death, is

one evening gentler with his mother because of me and my mother."
