As the 21st century dawns, a battle-hardened Authority turns its attention to a previously unchallenged class of villains—the invisible power brokers who manipulate the world's political figureheads to advance their own selfish interests. They've made plans for every contingency—including teams of insanely powerful superhumans with sentient, city-size, interdimensional spaceships. So when the Authority begins to seriously upset their hard-won networks of control, the backlash that results is as swift as it is devastating. But as bad as things get, these attacks are still comprehensible on a human scale. The same can't be said for what is following in their wake. Berserk Volume 15 *Dark Horse Comics*

From his days as a young mercenary to his time as captain of the Band of the Hawks' Raiders, Guts's life has been defined by his ability to fight and his will to win. Now cursed with the Brand of Sacrifice — a sigil that will forever mark him as prey for the damned — and with his companions dead, his lover's mind destroyed and his one-time commander and friend reborn as a malevolent demon lord, it seems that more than ever Guts must rely upon his instinct to survive.
